--A WORD FROM THE EDITOR--

Your Editor received so many Xmas Cards that it was impossible for me to answer them all. I want to thank all you fellows for kind remembrances. Hers wishing you all a Very Happy New Year and may it be prosperous for you all.

As many of you may know, both my father and myself are out of a job due to the shop that we worked for closing up its doors for good. This indeed is a hard blow. I wont be able to correspond as much as I use to but I am putting all I can into the NRC SW bulletin. So Fellows keep your SW reports coming and if you dont hear from me so often remember that it is not because I dont want to write but because, well you know it cost money to send a letter. I guess I will have hard time getting money now. Anyways fellows thanks for your loyal support.

--HONOR ROLL FOR DECEMBER--

NOLPO # 1 Bob Hoynes, 41 Vassall Road, Brixton S.W.9 London England
NOLPO # 2 Ken Miller, 2215 North Cambell Ave., Chicago Illinois
NOLPO # 3 Pete Clarius, 11 Marianna St., Port Richmond N.Y.
NOLPO # 4 Sergio Gonzalez, Calle 21 # 552 Havana Cuba
NOLPO # 5 Geo L. Brode, 2454 Sepviva., Philadelphia Penna
NOLPO # 6 Carl Forestieri, 2224 Adams Place, New York City N.Y.
NOLPO # 7 Merton Hiatt, Box 7 Dryden Washington
NOLPO # Cyrus Will, 651 Brier St., Kenilworth Illinois
NOLPO # 9 Fred Alfred, 748 Little Grey St., London Ontario
NOLPO # 15 Keith Kilton, 217 S. Hamilton, Monticello Illinois

--REPORTERS FOR THIS ISSUE--

Cyrus Will, Fred Alfred, Leo Herz Geo Brode and Fred Alfred who is our newest NOLPO reporter. We know that you will enjoy our membership with us. By the way fellows David Thomas could not accept our appointment of NOLPO # 5 so we now have appointed Geo Brode to this position. How about it George OM.

--DX PROGRAMS--

DJC	6.020	Berlin Germany	January 8	???	???? (IDA)
OAX4J	9.330	Lima Peru	January 15	9:00pm-10:00am	(IDA)
TG2	6.190	Guatemala City	January 21	3:00am-4:00am	(IDA)
TG2	6.190	Guatemala City	" 22	" "	" "
HP5G	11.760	Panama City	January 21	9:00pm-10:00pm	(IDA)
YSD	9.694	San Salvador	March 20	12:01am-1:00am	(IDA)

--SPECIAL NOTES--

Dont forget fellows that Geo Williams Famous English Commentator has arranged a very unique program of unusual interest on the HP5G program.

TG2 will have special announcements and messages in Spatari Language on their special DX program. And do not forget to support our brother members Language, as Carlo Spatari join the NRC last week, so lets all report TG2.

--SW CONTEST FOR THE NRC--

We still are getting suggestions in for the SW contest that we are planning. Geo Brode is the latest member to send in his suggestions. George says why not include CW QSL's and then we CW fans can take part even if we only get 1/2 point for CW varies. (Cont next page)

SHORT WAVE NEWS

(SW Contest Cont.) Well Geo OM I dont see why we cant include the CW fans as well as the other DXers. Maybe we can arranged a special contest for you fellows. I dont like the idea of giving you fellows only a 1/2 point for a verie as after all you work as hard for a CW verie as a phone verie and it cost as much for your reports so I beleive in giving you fellows just as much credit for your veries as we get for ours. Editor).

L. Lundberg	VAC- 1	VIC-31	" 93
Cyrus Will	VAC- 0	VIC-34	" 80

QUESTIONS & ANSWERES DEPARTMENT

Fred Alfred heard a Chinese station on 11.390 megs after 8am with poor signals and Al says the announcer sounds like the one that announces over XTJ at Hankow, China. Your Editor would like to tell Al that XTJ is now being heard on 11.380 megs, daily from 8-8:35am EST. So Al you are correct. Hi.

Fred Alfred also states that he hears a station on Sundays with best signals at 2:30am and giving News in English at 3am with a man & Lady Announcer. He beleives this station is in Norway (Al I beleive the station to which you were listening to was VUC2 at Calcutta, India who are on Sunday mornings from 2:30-10:30am. LKC 9.526 megs Jeloy Norway does not come on the air till 4:30am and ZBW3 9.526 Hong Kong China comes on the air at 3am so I think you were listening to VUC2. Editor)

(Note from the NRC HQ) Last week Leo Herz was wondering what station he heard on 15.160 megs, this week I had a letter from our friend Arthur Green of the ISWC and he says that its possible that Leo's station was VUD3 as they are now operating from 9:30 to 11:30 pm instead of 8:30 to 10:30 PM. VUD2 on 9.59 on the same scheduls.

REPORTERS OF THE WEEK

NOLPO # 6 Carl Forestieri, New York City N.Y.
 NOLPO # 7 Merton Hiatt, Dryden Washington
 NOLPO # 8 Cyrus Will, Kenilworth Illinois
 NOLPO # 9 Fred Alfred, London Ontario Canada
 Assnt SW Ed, Leo Herz-Chicago Illinois.

Thanks a lot fellows. For the benefit of the new comers who have just joined the ranks of the NRC I would like to repeat that all reports should be in to your Editor not later than Monday each week. Preferable on Saturdays if possible.

DX PROGRAMS

OAX4J	9.330	Lima Peru	January 15	9:00-10:00am	EST (IDA)
TG2	6.190	Guatemala City	January 21	3:00-4:00am	EST (IDA)
TG2	6.190	" "	" " 22	" " " "	" "
HP5G	11.760	Panama City	January 21	9:00-10:00pm	(IDA)
YSD	9.694	San Salvador	March 20	12:01-1:00am	EST (IDA)

Dont forget fellows that we are planning a SW contest for the NRC where all SW tuners on the SWBCB, Ham and CW DX fans will be able to Participate. Although plans have not been finished I will give you the tip that only veries sent from Midnight EST on Jan. 1 1939 will be counted so start sending your reports out now & also send in your suggestions for this contes. We want to make it a good one.

VERIES DEPARTMENT

Fred Alfred. JVH, JVP, JZJ, HVJ & OX2QY. Merton Hiatt-TI4NRH. Let us know what veries you are receiving. One of your Editors friends received a verie from LKC at Jeloy Norway. It is a beautiful card showing the station building on one side & a picture of the Fjord on the other side. They give their freq as 9.530 megs and power of 1kw.

RATINGS OF OUR MEMBERS

Fred Alfred and Leo Herz made gains this week. Although Leo did not receive any veries from SWBCB stations he did manage to get a few Hams.

Member	VAC	VIC	VERIES
Art Johnson	22	89	576
Fred Alfred	10	61	
Leo Herz	6	62	489
C. Forestieri	3	41	197
L. Lundberg	1	31	93
Bob Hoynes	1	13	20
Cyrus Will	0	34	80

Keep your Editor informed on any changes on your ratings. If you have as not yet sent in your ratings please do so at once. Just count all your SW veries regardless of Ham or commerical stations.

W9XA RECEIVES PERMISSION FROM FCC TO REBROADCAST KCKN:--W9Xa has added to its program schedule several rebroadcasts of KCKN, the regular broadcast station of the Kansas City. 2R04-11.810 mags. 4:40am-12:09pm EST daily... IQY-11.670 mags 5-5:15am,
12:10pm-1:00pm and 3:00-3:30pm EST daily... IRF-9.830 mags 12:40pm-1:00pm
1:37pm-3:30pm, 6:00-9:00pm daily... ICC-6.350 mags 3:00pm-3:30pm daily
for Russia... The American Hour is now being heard from 7:30-9:00pm daily
over 2R03 and IRF. IQY is not used.

QUESTIONS & ANSWERS DEPARTMENT

Leo Herz-found out who his mystery station was on 15.160 mags. It was VUD3 as they have changed their sked now to an hour later than before.

(SOS) Where is HILH in D.R. located at. They are heard on 6.425 mags.
(Fred Alfred)

Despite the fact that TPA3 is announced as being on parallel with TPB7 the latter one is heard nightly R9 but TPA3 is not being heard at all.
(Herz)

GOSSIP OF OUR MEMBERS

CARL FORESTIERI:--Has been working late these days and says he has not much to report this week as he has not had much time to DX, but we sure appreciate Carl's efforts in keeping in contact with us fellows anyways.

MERTON HIATT:--Says DX conditions have improved considerably up here in Dryden Washington and this is indeed very fine news.

LEO HERZ:--Must have experienced much better DX conditions up there in Chicago too as he reports sent out to TGWA VK3SG OAX4C VP9R TIEP and WA8AE. Leo is still trying to get a verie from a VP9 station. This is his 3rd attempt and we all wish him success. When Leo gets his new Receiver the Howard Communication Receiver we would appreciate his letting us know how it works. Your Editor is especially interested in this set.

By looking in our Verie department you will see what Fred Alfred received from Santa for a Xmas present. VFB we call it receiving all these fine veries. Fred says that DX is not bad outside of a little local QRM and it seems to him as if signals are much stronger now. Fred states that Japan QSLed in 7 weeks and that in 44 days he received a fine QSL from VS7GJ which is his 2nd verie from this station. This is what we call fast mail service.

Your Editor has also noted an improvement in reception conditions. However in the 49 meter band many weak stations are having a tough time battling with CW QRM. I wish that all CW stations were put by themselves so that they would not be QRMing voice stations all the time. Hi

Assnt SW Editor-Leo Herz-Chicago Illinois.

Thanks a lot fellows & it seems good to see so many of you taking and active part in this SW section each week. Keep up the fine work. Cyrus Will sends us some VFB information that was sent direct to him from Luc D'Helft-Lafere of Belgium and this information really is a SCOOP for the NRC as it will clear up a few questions that are in the minds of DX-ers throughout the entire country. Tnx a lot Cy OM and thank your friend for us too.

Special Notes

On the special IDA program from YL2CD there will be a description of Ham Radio in Latvia & this is an excellent chance for everyone to increase their VIC ratings. Send all reports with a IRC to Arvids Vitols, Miera iela 52-5, Latvia.

NOTE PLEASE:-W9XA-26.450 kc., 1.000 Watts, Kansas City Mo., will broadcast Tips, news items and other features over W9XA each Tuesday morning at 11:45 AM CST (12:45 PM EST) and will carry any news is not broadcast on Tuesday over to Thursday morning's same time. This is a National Radio Clubs Special Broadcast, so lets have all the HOT news, and any other special tips that you have sent direct to HQ so that we may have them into W9XA in time for this broadcast.

--ANSWERS & QUESTION DEPARTMENT--

Last week Fred Alfred was wondering where HILH on 6.425 megs in D.R. was located at. Your Editor has been wondering if Fred didnt get his calls mixed up a bit & maybe he was hearing HILS at Antiago, D.R. On 6.430 megs who operate daily except Sunday from 5:40-7:10pm.

Carl Foresteri heard a mystery station on about 9.520 megs from 4-5am with R9 signal. Lady did most of announcing & Carl says it sounds like a Russian Station. (RAN Moscow Russia is now operating on 9.520 megs irregularly. This may be the station. However Radio Addis Ababa, Addis Ababa, Ethiopia is operating on 9.525 megs from 2:30am till 10:30am so maybe it is this station. If you heard the station on Sunday morning I would say it was LKC at Jeloy, Norway on 9.522 megs but most likely it was RAN you heard as Radio Addis Ababa and LKC are seldom heard here. Editor.)

Fred Alfred heard the Deutsche Freiheits Sender again from 4-5:30pm with R7/Q4 sigs on a freq of 10.150. He wants to know who this station is.?,.

Fred Alfred also wants to know where HRK 5.975 megs in Honduras is located. He hrd them several evenings with fair sigs arround 9pm.

Your Editor and Fred alfred both want to know if Radio Guadeloupe on 7.450 megs is the former FG8AA? We beleive this station has now moved to this better freq where it is much better heard. They sign off at 7:15 pm giving news in French & sign on at 6pm with a R6?Q4 signal.

SOS-S.O.S---WHO can give HQ this information, a ham operator living in Lynn Mass.by the name of R.E.Pierce--what wavelength he uses to broadcast to South Africa on, and what is his calls, please some one give me this help,to locate this HAM.Give me all the details you can find.

---SPECIAL NOTICE---

Station VUD2 at Delhi India was heard by your Editor on Jan.5th 1939 coming on the air at 9.30pm EST on a brand new freq of 9.600 megs where they were logged for 1½ hours with R7-9/Q5 signals.

---SUGGESTION BOX---

Hans Jacobson-Buffalo N.Y. says he would like to see every member who sends in reports on SW reception to state what make of radio & Antenna they are using.(Not a bad idea OM.Editor)

Leo Herz says his idea for a SW contest is the same as your Editors.Give a grand prize for the one verifying the most countries over a years time.This would include all SW stations of the world.

---GOSSIP OF OUR MEMBERS---

Hans Jacobson of Buffalo N.Y. uses a 23 tube Scott receiver.However at the present Hans has no antenna because of some construction work going on arround his place \$ which he thinks will last all winter.We were glad to hear from Hans though & I would suggest that Hans use his radiator for an antenna untill the time oresents itself where he can again erect his doublet doublet again.Lets hear from you again Hans OM.

Thanks to Cyrus Will for forwarding that VFB information of the Finland & Belgium SW stations to us.That was a real scoop OM.

Carl Foresieri says he has done very little DXing during the holidays because of local QRM from the hundreds of Christmas trees flashing lights in the neighborhood.Carl says reception sounded like fireworks display than Radio reception. However Carl sent in a fine SW report & tnx a lot OM.

Tnx to Merton Hiatt for his VFB articles on UHF DXing.Leo Herz is now interested in this sort of DXing.Hi.

Leo Herz expects to get a Taco Selective Beam Antenna for his New Howard receiver soon.

Fred Alfred sent reports the last week to JIB ZHP FG8AA YDB HH2s CB-970 CB-960 and SBP which is a good weeks DX in any mans country.Fred says one must have his antenna pointing East & West forSouth America, N.W.by S.E. for Europe.S.W. by N.E. for Asia,Africa and the far East. Fred has also completed a ¼ wave beam antenna and as soon as weather permits will put it up and try it out.FB we call it.Fred says he has 47 QSL cards from stations over 5.000 miles away from London.Next week we shall publish these veries of Freds and they are about a nice a bunch of QSL cards that your Editor has ever seen.

EAJ43-7.500 Apartado 225, Cruz de Tenerife, Canary Islands was heard by your Editor as early as 8pm and signing off at 9:35pm EST. Entire program was a relay of Radio Nacional. During the program Radio Nacional DE Espana is mention several times. Also Franco-Franco-Franco Viva La Franco is mention several times. Gongs are used for station identification. At the end of program a man gives call EAJ43 in English and their freq as 7.500 megs. Lady gives news several times during program. Station is received R7-9/Q3-5 depending on the amount of CW interference.

TPZ2-8.960 Alger, Algeria was heard calling Paris at 12:30am and uses a 4 tone signal. Received R8/Q5. (Fred Alfred)

--ASIA--

VUD2-4.905 Bombay India comes on the air daily at 7:30am with a native program and has a better signal than VUC2 on 4.860 megs (Alfred)

VUC2-4.880 Calcutta, India also comes on the air daily at 7:30am with a Native program but is received with poor to fair signals. (Alfred)

VUD2-4.995 Delhi India has best signals of the India stations also coming on the air at 7:30am giving news in English usually by a lady and followed by a native program. (Alfred)

VUD2-9.600 Delhi India hrd from 9:30-11pm EST on their new freq with a R7-9/Q3-5 signals. (Lundberg)

VUD3-15.160 Delhi India hrd the latter part of last week R7-8/Q5 from 9:30-11:30pm and giving news in English from 10:20-10:30pm. (Herz) Hrd at 10:40pm with news in English R7-9/Q3-4 (Lundberg)

VUMS-4.950 Madras India also comes on air at 7:30am daily with a fair signal brdcast a Native Program. (Alfred)

JVT-6.750 Tokyo Japan heard calling KEL on 6.860 megs with a R7/Q5 signal at 12:40am. (Fred Alfred)

TAP-9.465 Ankara Turkey is on the air daily from 11:30am-4:00pm daily and not till 5pm as most clubs state. They use 20kw and QRA:-Ankara Radio W?1/ Tap, Ankara Turkey Asia. (Cyrus Will)

(Cyrus Will)

TAQ-15.195 Ankara Turkey is on the air daily from 5:30am-7:00am EST on only this one sked. They also use 20kw power and have the same QRA as TAP.

--OCEANIA--

VLR-9.580 Melbourne, Australia was received R9 from 4-6am. (Forestieri)
VK3ME-9.500 Melbourne Australia was hrd R8 from 4-6am. (Forestieri)

--EUROPE--

ORK-10.330 Ruvssede, Belgium is the Belgium Short Wave station which has 15kw power and relays NIR or INR of Brussels, Belgium from 2:30pm-4:00pm EST for the Belgian Congo. The Antenna of ORK is erected between 8 masts of more than 300 m. high. One of them was knocked down by a plane a few years ago. Others smaller antennas are erected all around. (Cy Will)
OLR2A-6.010 Praha Czech was hrd with fair signals on Thurs from 4-4:30pm and at times still later. (Fred Alfred)

GBS-12.150 Rugby England was hrd calling WQC 17.860 megs at 8:30am with R9/Q5 signals. (Fred Alfred)

GSC-9.580 London England hrd R9 from 7-9pm. (Forestieri)

GSJ-21.530 R7-9 signals at 11:00am (Carl Forestieri)

SW-Page:4 NATIONAL RADIO CLUB DX NEWS January 16 1939

GSB-9.510 London England hrd R9/Q5 with News in English at 10:30pm. Announced that GSC 9.580 and GSL 6.110 megs were on same program. (Hiatt)

GSL-6.110 London England R8/Q5 on Trans # 6 from 10-10:15pm. (Herz)

OIE-15.190 is now used to broadcast the Lhata Finland trans and was hrd with a special program from 1:15-2:00pm R7-8/Q5. (Herz)

TPA2-15.243 Essarts France hrd at 8:30am R9/Q5. (Alfred) R8 from 7-10am (Forestieri)

TPA3-11.885 Pontoise, France had news reports in English at 3:00pm and received R7/Q4. (Merton Hiatt)

TPB7-11.885 Essarts France hrd R9/Q5 at 4pm. (Alfred) R8/Q5 from 11:45pm till midnight. (Leo Herz)

TPB-11-9.550 Essarts France hrd daily till 5pm R8/Q5. They give news in English at 3:00pm. (Fred Alfred)

DJA-9.560 Berlin Germany has a very weak signal from 4-7pm. (Forestier)

DJN-9.540 Berlin Germany R7 from 3-7am and R9 from 4-7pm. (Forestieri)

DJQ-15.280 Berlin Germany R9 signals from 9-11am. (Forestieri)

DZC-10290 Zeesen, Germany hrd daily from 4:50-5:00pm or later. They call Buenos Aires and Brazil and then gives news in Spanish with a R8/Q5 signal. (Fred Alfred)

DJM-6.080 Berlin Germany hrd R7/Q4 from 4:50-11:00pm. (Leo Herz)

HAT4-9.125 Budapest, Hungary now hrd daily from 7-8pm and often relays the National Network program from Denmark (From announcements. (Alfred))

PCJ-9.590 Hilversum, Netherlands hrd signing off at 3:37pm with the announcements that they would be returning to the air at 7:30pm. This was on Wed. Received R8/Q5 (Fred Alfred)

IQY-11.680 Rome Italy hrd daily from around noon to 1:30pm or later with an oriental program which sounds like the music from the India stations. They also give talks which sounds like Arabic Signals. Station was received with fair to good signals. (Fred Alfred) Editors note IQY has a program daily for the Arabian countries from 12:10pm-1:00pm.

IRF-9.850 Rome Italy received R8-9/Q5 on North American Program. (HERZ) R9 from 6-9pm. (Forestieri)

2RO-9635 Rome Italy R7-8/Q5 on North American program. (Herz) R8/Q5 every evening. (Keith Kilton) R4 at 3pm, R7 at 5pm and R9 from 6-9pm every evening on North American Hour. (Forestieri)

2RO4-11.800 Rome Italy received R3 at 5am, R5 at 8am and fades around 10am. (Forestieri)

2RO5-15.300 Rome Italy is the best of the Rome stations hrd during the daytime. Their signals range from R4-9 until noon. This station seems to be on all the time. (Forestieri)

RAN-9.530 Moscow, U.S.S.R now hrd on this freq nightly in parallel with RKI 7.520. RKI has the best signal as there is too much QRM on RAN. (Alfred) RAN received on 9.520 megs. (Lundberg)

RIE-10.080 Tiflis U.S.S.R. hrd calling Moscow at 12.05am with R7/Q4 signal and lady does most of announcing. (Fred Alfred)

LKC-9.530 Jeloy Norway hrd R6 at 5am. (Forestieri)

RADIO SALAMANCA-6.670 hrd with war news from 8-10pm with a R8 signal when not bothered by CW QRM. (Forestieri)

RADIO NACIONAL-10.370 Salamanca Spain hrd signing off at 10pm with a R6-8/Q4-5 signal. (Lundberg)

---SOUTH AMERICA---

LRX-9.660 Buenos Aires, Argentina hrd at 9:20pm with R6-8/Q4 signals with plenty of QRM from W3XAL on 9.670 megs. (Lundberg)

HJLABP-9.618 Cartagena Colombia received R9/Q5 at 9:05pm. (Lundberg)

HC2CW-9.130 Guayaquil, Ecuador now back on their old freq of 9.130 again (Fred Alfred)

SW-Page:5 NATIONAL RADIO CLUB DX NEWS January 16 1939
YV4RB-6.520 Valencia, Venezuela received R7-8/Q4-5 at 9pm with some CW
QRM. Gave call very distinctly. (Lundberg)
YV5RC-5.973 Caracas Venezuela 8:45-9:00pm with a VFB program and received R7/Q4 (Herz)
YV6RB-6.545 Bolivar, Venezuela received at 9:05pm R6/Q3-4 with very much CW QRM. (Lundberg)

--CENTRAL AMERICA--

TIEP-6.690 San Jose, Costa Rica hrd at 8:30pm with musical program with a R9 plus signals. Uses slogan "The Voice Of The Tropics" (Lundberg)
TIGPH-5.825 San Jose, Costa Rica hrd till 11:45pm with very good signal (Fred Alfred)
TGWA-9.680 Guatemala City. R8/Q5 from 10-10:30pm. (Herz)
TGWA-15.170 Guatemala City Guatemala has this transmission beamed on Europe and also works in parallel with TGWB 6.490 mags. This program is QRM'd a great deal by OZH 15.165 mags. (Fred Alfred)
TGWB-6.485 Guatemala City, Guate. R7/Q5 from 10:30-11pm. (Herz) Hrd them relaying TGW 1520kc from 10:39-12.18am at which time they signed off. They announced that TGWA 9.685 was on with same program. The announcement were in English every ½ hour with an occasional musical selection announced in English. Came in R7-7/Q4. (Hiatt) R9/Q5 with a musical program at 8:50pm. (Lundberg)
YNLG-6.610 Managua, Nicaragua R6-8/Q4 at 8:45pm. (Lundberg)
YNRF-6.740 Managua Nicaragua R8-9/Q5 at 8:25pm with a musical program and QRM'd at times with CW. Some think this station is YNRS.
HP5A-11.700 Panama City, Panama hrd daily from 7-7:30am R7-8/Q5. (Herz)
HP5J-9.610 Panama City, Panama R7-8/Q4-5 at 9:15pm with a musical program. Must clubs list them on 9.590 but they are received all ways on 9.610 mags. (Lundberg)

--WEST INDIES--

COCM-9.840, 10-10:30pm R8/Q5. (Herz) Always received either on 9.800 or 9.810 mags. (Lundberg) They are at Havana Cuba.
CMA5-15.550 Havana Cuba hrd testing with N.Y. with a R8/Q5 signal (Alfred)
HIH-6.775 San Pedro D.R. R4-5/Q3 with musical program at 8:20pm. (Lundberg)
HIN-6.243 Trujillo City, D.R. R9/Q5 at 9:30pm. (Lundberg)
HILL-6.430 Santiago de los Caballeros, D.R. heard with a good signal at 8:45pm. (Alfred) Think this station is HILL received R6-7/Q3 at 9:10pm with CW QRM bad at times. (Lundberg) May I chip in on this one I heard a station, according to my dial it would be 6.430, the other night about 6:45pm and they announced as I took it HILLS, too much fading to make it out clear. (Gordon)
HI7P-6.673 Trujillo City, D.R. R6-7/Q3-4 at 8:15pm. Signed off at 8:40pm. Sundays at 10:40pm. (Lundberg)
HI9B-6.670 Santiago D.R. was still hrd at 8:30pm with a musical program on Sunday. Received R8-9/Q5. Skeds say they are on from 6:40-7:40pm daily. (Lundberg)
HI4V-6.455 San Francisco de Macoris, D.R. hrd with a good signal at 8:45pm (Alfred)
HH3W-9.645 Port-au-Prince, Haiti heard with a lot better signal and gives call and location in English at 9pm. (Alfred)
RADIO MARTINIQUE-9.700 Fort De France, Martinique received at 5:50pm R9/Q5 with a musical program. This station is being heard earlier than their usual sked & received with VFB signals. (Lundberg)

--NORTH AMERICA--

XEWW-9.500 Mexico City, Mexico R9/Q5 from 9-midnight. (Herz)
CJCX-6.010 Sydney, Nova Scotia Canada hrd at 7am with R7/Q5 sig. (Alfred)
WNB-10.675 Lawrenceville N.J. hrd calling Bermuda at 10:45am with a R9/Q5 signal. (Alfred)

SW-Page:6 NATIONAL RADIO CLUB DX NEWS January 16 1939
WWV-10.000 Beltsville Md.hrd at 12:30pm giving lonespere reports R9/Q5
signal.(Keith Kilton) National Bureau of Standards station
of Washington D.C. and the verify for return postage.(Editor)
KKZ-?????? Hawaii received R8/Q5 at 6:30pm.(Keith Kilton)

W2XE-21.530 New York N.Y. R9 plus from 8-10am daily.Till noon on Sundays
(Forestieri)
W8XK-15.210 Pittsburgh Pa.R9/Q5 from 9-11am daily.(Forestieri)

A WORD FROM YOUR ASSNT EDITOR

I have bough a new receiver.It is the Howard Communication Receiver Model 430.It is a 6 tube superhet and the price is real FB for the pocket-book too cost only \$29.95: I purchased the set on the recommendation of one of my Ham pals W9LLX of Chicago .In future issues of the bulletin I will give the results of Listening Post Test which I think will be of interest to the NRC members who are interested in a good receiver in the lower price class.The set is housed in a Drawn Steel Cabinet finished in Black silver trimmings,.The set is constructed for Doublet or L type antenna connections.It has headphone and Connections for an R meter.The tubes used are 6K8G 6C5 6K7 6Q7G 41 and 5W4. I will give you more news on this set as soon as I have tried it out.

Editors Note

I am sure we are all interested in Leo's experiment with his new set.We all wish him the best of luck in his DXing.

ULTRA HIGH FREQUENCY NEWS

W9XUP-25.950 St.Paul Minnesota R9/Q5 from 1-1:30pmbroadcasting NBC programs and relaying KSTP.They desire reports on reception and all correct reports are verified.(Merton Hiatt.)This station haschanged its frequency to 26.160 megs OM this past week.Please take notice.(Editor)

W9XA-26.450 Kansas City Mo. rebroadcast programs of KITE and KCKN.On Saturdays at noon EST they have an interesting talk on Television and a mail bag program every day at 11am and 4:30pm EST.(Noon and 5:30pm EST). They are hrd better here than any other Ultra High Frequency station.(Merton Hiatt) Please note OM about their Tip peroid on Tuesday.HQ

W9XUY-31.600 megs 100 watts Omaha Nebraska was hrd relaying KOIL and testing for local coverage.Came in R9/Q5.Although they announced their freq as 31.600 megs they were received far enough away from the rest of the stations on that freq to not be bothered by any QRM.They were heard from 2-2:40pm EST and they announced they would present selective programs from Mutual and NBC networks beginning Jan.1st.Send all reports to Central States Broadcasting Co.Omaha Nebraska.

W2XJI-26.300 New York City R4/Q3 from 4:30-5:30pm and relaying WOR and Mutual Network programs.QRA for reports is "The Engineering Department Bamberger Broadcasting Service, 1440 Broadway, New York City,N.Y.(Hiatt)

W9XHW-31.600 Minneapolis Minnesota heard from 5:40-6:00pm EST R7/Q4-5
At 6:00pm W9XHW fades out and W9XPD St Louis,Mo.,can be heard.

-W6XKG- MRE PROMOTED MIREBO-

Good-Will Broadcasts (Including Spatari), to be given over W6XKG 25.95 megs, 1417 South Figueroa,Los Angeles,California.

WEDNESDAY-February 8, 3:00 EST.The Consul for San Salvador will speak. Earl G.DeHaven will be the Master of Ceremonies and Commentator and Hal Clein will send greetings from the IDA,and will also read messages in SPATARI.

REPORTERS OF THE WEEK

NOLPO # 6 Carl Forestieri, 2224 Adams Place, Bronx New York City N.Y.
NOLPO # 8 Cyrus Will, 651 Brier St., Kenilworth Illinois
NOLPO # 9 Fred Alfred, 748 Little Grey St., London Ontario Canada
NOLPO # 10 Nick Woytan, 309 S. Wilbur Ave., Syracuse N.Y.
Leo Herz, 730 Roscoe St., Chicago Illinois

We welcome Nick Woytan to our roster of NOLPO reporters. We hope we may hear from him often and that he enjoys his membership with us. We assign him as NOLPO # 10. Heres hoping you have many fine days of DX and that your veries will grow day to day, Nick OM.

EDITORS CHATTER

There is something I want to tell you fellows and it comes from the bottom of my heart. It is very seldom that one finds the reporters of a radio club being such loyal reporters and greater yet, such loyal friends as you fellows have been. Not only with your Editor but between yourselves as well. It makes a fellow get a lump in thisthroat to read some of the fine letters of encouragement ect that I receive from you members. You fellows have showed real friendship and I am proud of you all. The NRC should well be thankful to have such a fine bunch of DX fans as you fellows as its members. Our short wave section is getting to be one fine department and dont forget gang that is all on account of your fine loyalty. Tnx a Million.

DX PROGRAMS

YL2CD	28.080	Riga Latvia.....	February 12	10:00-10:15am EST (IDA)
" "	" "	" "	" 26	" " " "
HIT	6.630	Ciudad Trujillo D.R.	February 19	5:20-6:20am EST (IDA)
YSD	9.694	San Salvador	March 20	12:01-1:00am EST (IDA)

SPECIAL NOTES

Send all reports with a IRC to YL2CD % Arvids Vitols, Miera iela 52-5 Latvia. This VFB program will consist of a description of Ham Radio in Latvia. Dont miss out on this opportunity to increase your VIC ratings.

SUGGESTION BOX

Cy Will sends in a suggestion for our coming SW Contest. Cy says we are all working to increase our VIC ratings. Now if we would take the VIC rating of each member as they are now on my files, and then award points for each country verified. Point award could be 1 point countries 1-25, 2 points for 26-50, 3 points for 51-75, 4 points for 75-100 and 5 for 100 plus. These points are for each new country. For example say that Cy Will has at the start of the contest a rating of VIC 27 and Carl Forestieri has a rating of VIC-102, Now each one verifies a new country and increase their VIC ratings 1 point. Cy Will will get credit for 2 points and Carl Forestieri will get 5 points. Catch on.

Carl Forestieri sends us a VFB suggestion in making out the SW Bulletin. Instead of putting the reporters name after each item just put his NOLPO Number followed by State in which he lives. We are going to use this system this week and see how you fellows like it.

CORRECTIONS

Last week Fred Alfred told us that he heard the India Stations coming on the air at 7:30am. He meant to say that he heard these stations at that time, as some of the India stations come on earlier than 7:30am EST. Fred wanted to correct himself on this so that no false impressions would be made. (Thanks OM for the correction. Ed)

--SPECIAL NOTICE--

Cy Will, Amateur Editor of the NRC, send us the following and we quote this from Cy's card. "You might tell the readers of your dept. that before long the Amateur column will have a number of write-ups of interest to them. I have been given special permission to print such things as International prefixes of all countries, U.S. postal rates on cards and letters, and the use of the R-S-T reporting system which appear in the Amateur Call Book. I think this will be useful to all DXers."

This indeed is a fine suggestion and I am sure that all members will enjoy this news Cy OM. By the way if any of you members DX on the Ham bands be sure and send Cy a report once in awhile on what you are hearing. (Editor)

VERIES DEPARTMENT

Fred Alfred-VUD2 VUD3: Leo Herz VP9r: Lunberg VELEL: For anyone interested in getting a VP9 QSL Leo tells us that he made out the report on one of his QSL cards, inclosed a 3d in Bermuda Stamps and a return address label and sent his report air mail (10¢). Leo also inclosed a personal letter asking VP9R to pls confirm his reception and in 8 days Leo had his verie. (Tnx for the tip Leo OM. Editor)

Last week we said we would print the veries that Fred Alfred has received from stations 5,000 miles away from his QRA and this indeed is a VFB list of veries. Dont you wish you had some of these gang? --QUESTION BOX--

Nick Woytan wants to know who the station is that he is hearing around 5pm EST on about 7.000 megs? Who can help Nick out.? Also heard a couple of station at 3:45am on about 11.150 megs and 11.250 megs and wants to know who they were.

Carl Forestieri wants to know if the station he is hearing on 9.530 megs from 3-4am EST is VUD2. They speak English and a foreign language and after 4 songs in English they dicute English as if they had a class to speak too. Your Editor thinks the station is VID2 but has anyone else any ideas...Carl also wants to know who the station on 9.520 megs who signs on every morning at 4am with a R6-9 signal with a man and lady speaking a foreign language.? (Editors Note/I beleive the station is RAN at Moscow, Russia. Send your report carl, to Radio Centre, Moscow, U.S.S.R. and see if you get a verie...Carl wants to know also if the station he hears on 9.590 megs at 9:45pm with a R7-9 signal is VUD2. (The station is VUD2. Editor.)

--TAKE NOTICE PLEASE--

Many of the South American Stations have changed their call letters. Will all members check the South Americans this coming week and report their findings to your Editor at once. We want to publish these changes as soon as possible. (Editor)

--NOLPO REPORTS OF THE WEEK WITH OUR REPORTERS----AFRICA--

EAJ42-7.500 Santa Cruz de Tenerife, Canary Islands was heard from 8-9pm and later at times with R7/Q4 signal & some CW QRM. (Herz-Illinois)

W9XDH-12.862 ?????????? hrd testing around noon. (# 10-N.Y.)

--THE VOICE OF THE Assnt SW EDITOR--

I have tested my New Howard receiver now for a week and although reception conditions were not very favorable I found this receiver to be very reliable. I hrd all 6 continents the first week. It really pulled the stations in and the band spread is very good on the crowded channels. My tests showed that despite the size and price of the Howard receiver it really can show up some of the higher price receivers. The receiver covers from 540-12.000 kc and dial is very easy to read. It also has a logging scale and made up of four bands. It has a separate band spread dial, and condenser, AVC on and off switch, standby switch and also a beat oscillator with pitch control for the CW DXers. Also supplied with a head-phone jack and has connection for an R meter. Antenna connection is made for either a doublet or single wire connections. I am completely satisfied with my new receiver and even expect better results when I get up my Taco Beam in the spring. Tnx Leo OM for the VFB info. I seen the Howard in operation at the Minneapolis Radio Club Meeting last week and I was highly impressed with its results. (Editor)

--EDITORS NOTE--

From all letters received here all members want the SW contest counting our VIC rating. Now fellows shall we just count each new country verified this year or should we take our present standing and award points for each new country verified. The latter would be Cy Wills idea and the former would be to take just the veries received this year. (Reception this year) and at the end of the contest award the prize to the one verifying the most countries for 1 year. We want your vote on this. The contest will be either of the two mention above. Write and let me know at once what contest you prefer so we may publish the contest rules soon. All SW dxers are welcome to this contest providing they are members of the NRC. CW and phone stations will count. Lets hear from you AT ONCE. VOTE NOW.

--GOSSIP OF OUR MEMBERS--

Looking over Carl Forestieri's reports on both SW and BCB we take it for granted that the OM is really DXing down there. Hi.

Nick Woyton. Our new member and NOLPO # 10 is President of the newly formed World DX Alliance. We wish him all the luck in the world.

Had to cut this a little short, as we are running out of room Hi. (HMG)

Assnt SW Editor. Leo Herz 730 Roscoe St., Chicago Ill.

The National Radio Club welcomes another new reporter to its realm this week and it is none other than Stan Brus of North Braddock Penna. We assign him as NOLPO # 11 and hope we hear from him real often. As to you other fellows your editor does not even need a calendar anymore as your reports are always coming in on schedule. I want to thank you for all of your fine reports and you will be hearing from me in a few days.

---NOLPO REPORTS OF THE WEEK---

AFRICA

EAJ43 7.500 Santa Cruz Tenerife, Canary Islands is hrd only occasionally from 8-9:15pm with a R6-7 Q4 sig. (Herz-III) Hrd only occasionally from 8-8:30pm R6-7 Q2-4 with CW QRM (Lundberg-Minn)
ZRK 9.610 Klipheuvall South Africa hrd on 1/14/39 at 12:05am with news in English followed by setting up exercises with a R7 Q4 sig. (#11-Pa) Hrd 11/21/39 at 11:45-12:05 with exercises with R4-7 QSA2-4 Gordon and Ribble-Penna) Still being hrd with good sig on their 11:45pm 12:45am transmission (# 6-N.Y.).

ASIA

VUD2 4.960 Delhi India hrd for the first time here in Chicago from 7:30 8:30am with R7 Q4 signals. (Herz-III)

 W3XAL 9.670 New York hrd R9 plus till sign off at 11:30pm (# 6-N.Y.)
 W8XX 15.210 Pittsburgh Pa. hrd R9 plus at 11am. (# 6-N.Y.)

QUESTION & ANSWER DEPARTMENT

Carl Forestieri hrd a German Speaking station on approximately 17.830 megs at 11am with a R7 signal and wants to know who it was. (Your Editor would like to tell Carl that it was possibly DJG on 17.815 megs. However they are suppose to operate from 11:15am-1pm)

Leo Herz hrd a Spanish speaking station on about 4.300 megs on Sunday f from 8-8:45pm on Jan. 17th and wants to know who it is. (The station possibly could be HJ6FAC 4.790 megs at Ibagu Colombia who are on irregular from 8-10pm EST. (Editor) Leo wants to also know if any of the NRC members have been hearing JZJ 11.800 at 7am in the mornings. (Carl Forestieri reports hearing this station at 8am instead of 7am Leo OM Editor)

WHO is the station on 9.620 megs between HJ1ABP and 2R)3 being hrd very faintly at 8:30pm.????? (Editor) Is this the former HJ7ABD back on the air again.? Who can help your Editor out.?????????

NEW STATION

Fred Alfred says that a new Japanese station will come on the air the first of February on 7.285 megs with the call JLG. It will however only work in the afternoons with a directional Antenna beamed on Europe & will prove a very difficult catch for listeners in the United States.

VERIES DEPARTMENT

Leo Herz-VUD3 15.160 megs on SWBCB and VK3EH VK4PX VK6HT and YV4AE on the ham bands increasing his rating to VAC-6, VIC-64 and total veries to 495. This is the only change in this weeks ratings. DONT FORGET to let us know what veries you are receiving and if possible try and give us a description of the verie.

Leo Herz-730 Roscoe St., Chicago Illinois

Welcome the the NRC NOLPO of SW reporters Eldon Addy OM. We assign you as NOLPO # 12. We hope you find a lot of good tips and very much enjoyment out of the NRC bulletins each week. Heres hoping that we may hear from you often...Well Well If it isnt good old timer E.H.Manning of Alberta who has joined the NRC and has sent his first SW report in to us. Boy I would like to hear from you real often OM. How about dropping me a line and lets hear how the world is treating you. How about taking over a NOLPO assignment OM....It was not so long ago that your Editor had a tough job getting enough news together for the bulletin each week. Now we are having a tough time getting all the news in the bulletin each week..Hi. That shows the members are right on their toes and supporting the bulletin 100 %. Last week Harry could not get all the tnfo into the Bulletin so this week we are starting where he left off. Thanks a million fellows for your fine support.

HONOR ROLL FOR JANUARY 1939

In order to get your name on the Honor roll each month one must send in al least two reports each month. Following are the Honor members of the month and following their names are the number of weeks they reported last month...Leo Herz-Illinois (4): Fred Alfred-Ontario (4): Cy Will-Illinois (3): Carl Forestieri-New York (3): Merton Hiatt-Washington (2): Nick Woytan-New York (2). Thanks fellow.

STATION SKEDS

Cy Will	"" 0	"" 34	"" 80

Dave Thomas sent us his ratings including both his veries on the
 BCB and SW so we eliminated his standing this week untill we receive his
 correct standings. Art Johnson is no longer a member of the NRC so we
 are eliminated his standings. Please keep your Editor informed on any
 changes in your ratings fellows.

QUESTIONS & ANSWERES DEPARTMENT

Leo Herz answers his own question of last week by telling us that the
 station he was hearing on 4.785 megs was HJLABB La Voz de Baranquilla,
 Colombia. He logged it several times last week... Nick Woytan has been
 hearing some mystery stations on 7.000 and 7.350 megs at 1:45pm and want
 to know who they are. WHO can help him out.??? Fred Alfred wants to kn-
 ow who the Phone Station on 9.500 megs is at 4 pm daily with R8 Q5 sig-
 nals who talks but never gives the calls. (Your Editor thinks it is KE
 at Bolinas California) Fred also wants to know what city in Dominican
 Republic that HILH is located in.. Who has received any veries from Spa-
 ish Lately. (Editor) Your Editor had reports out to EAQ and EAR for a year
 now but no veries as yet... E.H. Manning says that the Deutsche Freiheits
 sender is a German station and that the QRA is the same as all the Ger-
 man Stations and the verication card is also the same.

TOPICS OPEN FOR DISCUSSION

E.H. Manning does not agree with Cy Will who says the Ankara stat-
 ion is on the air from 11:30am-4:00pm daily. Manning hrd the station mo-
 times and they always signed off at about 2 minutes to 5pm EST (Fellows
 here we are having the same discussion as several times befor. Your Edi-
 tor sent a report to Ankara last week and they signed off at 4:00pm EST
 However, the next day they signed off at 5:00pm. They seem to sign of
 mostly at 5pm but there are times when they sign off at 4pm so that i
 that. Hi)

SHORT WAVE NEWS

--A WORD FROM THE SW EDITOR--

Feb 1st is the end of my first year in the NRC and I wish to state that I did enjoy my membership very much and since I was appointed Asst SW Editor I have had the whole hearted support of my good Friend Larry. This also goes to the other Officers and the Board Of Directors to whom I wish to thank each and everyone and I hope to have the friendship of you fellows of the NRC for many years to come.

I have a few more remarks to make on my New Howard receiver which I forgot to tell you last week. One of the outstanding feats of the receiver is that there are no gaps between bands and it sure does prove it on the VFB results I get on 61 meter band. This receiver covers 540 kc to 42.000 kc and last week I managed to get reports out to XE1DU ZS6BR PY2JC K5AN VUD2 HI3N G5SA K6LPW K4FSP COBX KALCS HJ1AA and HJ3CAD

SW CONTEST OF THE NRC

Cy Will says I voted against my idea. I think the idea of seeing who can verify the most countries in a year is going a little more exciting contest.

Fred Alfred says he does not like the idea of the VIC ratings at all for a contest. When a chap gets 60 or 70 countries verified it gets harder all the time to get another country. I think the best idea for that contest is to count all the stations verified during the year of 1939 if the contest is going to run for a whole year. Another thing CW varies should not be count because they travel twice as far as voice signals and it would be twice as easy to get CW QSL's. A fellow that cant read code hasnt a chance with the fellows that can read code. Phone stations are OK because sometimes you have to wait for an hour before they come out of scrambled speech in order to identify them.

Next week your Editor will give you the type of contest the members as a whole want. If this is passed by the BOD the contest shall become official and I hope everyone participates.

ULTRA HIGH FREQUENCY DXING

W2XJI-26.300,100 watts is located on the roof of 1450 Broadway, Corner of 41st St. in New York City, the trans is 650 ft above the Hudson River and 45 stories above the ground. The bldg is situated in the center of Manhattan Island midway before the East River and the Hudson River. They operate on a daily sked from noon-6pm EST. Reception reports have come from all parts of the US., Europe and Africa. WOR plans shortly to inaugurate a facimile service with this transmitter using the call letters W2-XUP on 25.700 megs. Therefore if you are interested in receiving picture or printed matter across the country you can receive such facimily material originating in New York (# 7-Washington) Hrd from 10am-4pm with good signals (# 12-Iowa).

W9XUY 31.600 megs. The Central State Broadcasting Company, Omaha, Nebraska according to their verie are also operating on 35.600, 38.600 & 41.000 megs with 100 watts. When hrd they were testing with portable transmitter KABJ for local coverage. The conversation carried on made the broadcast more interesting than many special feature programs (# 7-Washington)

W9XA 26.450 relaying KCKN & KITE announcing that reports should be sent to the Chief Engineer of W9XA. Hrd at 2pm EST (# 7-Washington)

REPORTERS OF THE WEEK

NOLPO # 1 Bob Hoynes, 41 Vassall Road, London England
 NOLPO # 4 Sergio Gonzalez, Calle 21 No.552, Vedado-Havana, Cuba
 NOLPO # 6 Carl Forestieri, 2224 Adams Place, Bronx New York City, N.Y.
 NOLPO # 9 Fred Alfred, 748 Little Grey St., London, Ontario Canada
 Robert L. Blanchard, 206 Prospect Park West, Brooklyn N.Y.
 Leo Herz-730 Roscoe St., Chicago Illinois

Thanks to all you fellows and attention C. Forestieri. Your report arrived too late last week for the bulletin which was caused by the snow storm here. (Attention Robert L. Blanchard we would like to assign you one of our NOLPO post, as we have heard a great deal about your DX-ing how about it OM. Ed) We have so much material this week I don't know how I can get it all in this week. (Please note the three STAR SPECIALS after the calls are all. late tips that has been entered at HQ. HMG)

SPECIAL NOTICE

Fred Alfred tells us that VUD-4 15.290 megs at Delhi India in on Fridays Nights Only in parallel with VUD2. VUD3 is silent on this night. Try for this New Station & thanks for the tip Fred OM.

VERIES DEPARTMENT

Fred Alfred-HC2CW & CB970 (Latter is Freds 48th 5,000 miler verie)
 Leo Herz-K5AN & CE3CG (Ham Veries) Leo Herz's rating is now VAC6, VIC65 and veries 499, Fred Alfred now has 363 veries. These are the only changes from last Weeks Bulletin.

QUESTIONS & ANSWERS DEPARTMENT

Carl Forestieri, would like to know who the German Station on about 9.6 50 megs is. He hrd them at 4:30pm with R9 sigs. We would like to inform Carl the station is DJX on 9.675 megs at Berlin. Carl also hrd a station in Albania on Saturday on about 10 megs at 2:45am with R9 sigs. Carl says it was a phone conversation in Italian with a mother speaking to her son and asking the condition of his stomach. She spoke from Albania. Can anyone help Carl out as to who this station was and location, also where the son was speaking from.??? Carl also reports hearing a new Italian station on 9.670 megs with R9 sigs till 5pm. (This station is 2R09 Ed) Carl also has been hearing what he thinks is a Oriental on 15.260 from 7-8am at which time they sign off with R7/Q4 sigs with both a man and lady announcing. (Your Editor thinks the station is RV96 15.270 at Moscow.)

Who is the OAK station on 9.680 megs using slogan "Radio Nacional, de Lima" with announcer talking very fast & hrd from 6-6:20pm at which time they sign off. (Fred Alfred)

Where is EAR4M 7.005 megs located at. They were hrd at 9pm giving call in Spanish with R7/Q4 signals (Fred Alfred)

Is the station on 7.116 megs EA2BH (Fred Alfred) Fred also reports hearing Radio Nacional on 7.500 megs at 9:25pm in parallel with a station on (Cont on next page)

SHORT WAVE NEWS

(Cont from last Page) 7.115 mcs & 10.370 mcs. We would like to tell Fred that the station on 7.500 mcs is EAJ43 at Santa Cruz de Tenerife Canary Island who relay Radio Nacional 10.370 mcs nightly. In answer to Leo Herz question of 2 weeks ago Fred says that JZJ is still on the air from 7-7:30am but on Irregular. Fred hrd them the last 2 Mondays & with good signals. Fred also tells us that the station your Editor had listed as Radio Guadalajara on 9.525 mcs is XEDQ relaying XED and they QSL with a Salmon Colored card with black Printing. Fred also tells us that the Spanish speaking station hrd between HJLABP and 2R03 is XEYU in Mexico City, Mexico. Thanks Fred OM you have cleared up a lot of questions for us. Hi.

--STATION SKEDS--

Leo Herz sends us the latest Sked from Vatican City Italy.
 HVJ-Vatican City, Italy-17.840, 15.120, 11.740, 9.660 or 9.550 & 6.190 m
 HVJ begins & ends their Broadcasts with the words (Laudetur Jesus Christus) meaning "Praise Be Jesus" The Bells of St. Peters are hrd chiming the Hour & a Clock or metronome is hrd beating the seconds during the five minutes preceding the Broadcast. (Special Notice* Leo says HVJ DOES NOT VERIFY anymore. Instead they send a picture & the sked of their station... Mon, Wed, Thurs and Saturdays- 2:00pm-3:30pm EST. On 6.190 mcs. Tuesdays-8:30am-9:00am on 11.740 mcs. 10:30am-11:00am on 15.120.: 2:00pm-3:00pm on 6.190 mcs.: Fridays-2:00pm-3:00pm on 6.190 mcs.: Sundays-5:00am-5:30am on 9.660 or 9.550 mcs & from 1:00pm-1:30pm on 15.120.

--EUROPE'S MYSTERY STATION--

Radio Libertas, alias The Freedom Station alias Der Deutsche Freiheit sender, to give its numerous titles, still continues to broadcast anti Fascist and Nazi Propaganda in German, Spanish & Italian. The transmitter would appear to be located in Madrid Spain, although announcements are made to the effect that all reports should be addressed to 13, Boulevard d'Aragon, Paris France. Nominally working on 10.067 mcs on occasions you may pick up a statement that the station will shift to 30.1 meters. Then 5 minutes later to 30.3 meters and back again to 29.8 meters in order to dodge the continuous barrage of the QRM put up to drown its transmission. (#1-England)

An unidentified Russian station on 15.320 mcs at 7am is being hrd by Carl Forestieri with R8 signals. Chimes & talk by a man can be hrd but no words in English. WHO IS THIS STATION? (Your Editor forgot to put this in the Question department.)

SHORT WAVE NEWS

--SW CONTEST OF THE NATIONAL RADIO CLUB--

Your Editor received a VFB letter from William Stone, Chairman of the Board of Directors, of the NRC OKing a SW CONTEST for the NRC SW members. This indeed was very fine of the BOD and to them we offer our most heartfelt thanks for their fine cooperation. Following are the rules your Editor has made up and I hope they will prove satisfactory to every member.

- (1) Contest to last for 1 year & only veries Dated for reception from Midnight January 1, 1939 to Midnight January 1, 1940 will be counted.
- (2) Prizes will not be awarded till June 1, 1940 so to give ample time for all veries to be received by the members.
- (3) Only Phone Veries will be counted. (NO CW VERIES) all phone stations in the SW bands from 1550kc and up will count. This will include, Police, Hams, Phones, Aircraft & SWBCB stations.
- (4) The National Radio Club keeps in its fold only those DXers that are worthy of being called Honest & There-Fore no veries will have to be sent in to your Editor for checking. Unless its is requested by the majority of the contestants. Otherwise we will take your word.
- (5) Your Editor will take care of the records and Awarding of the prizes and the Assnt SW Editor's will lend his Assistance. The Board will act as a judge in case of any dispute's. Otherwise the SW Editors results will be called final.
- (6) Grand prize will be awarded to the DXer Verifying the most countries over the year.
- (7) 2nd Prize will be awarded to the DXer receiving the most veries in the year.
- (8) 3rd prize will be awarded to the DXer coming in 2nd on the VIC Ratings.
- (9) 4th prize will be awarded to the DXer coming in 2nd on the verie contest.
- (10) We reserve the right to amend any of these rules at any time it may be deemed advisable to do so, this will first be placed befor the Board for amendment.
- (11) In case of ties a prize identical with that tied for will be awarded to each tying contestant.

Now fellows in reality this is 2 contests all in one. Everyone has a chance to WIN a PRIZE so start now getting those veries in, and as soon as you receive any veries that are for reception for this year, please notify your Editor.

The prizes that are to be awarded will be publish in a later issue just as soon as possible. This will be worked out by your Editor and the Board Of Directors. Your Editor will personally give a brand New Ham Call Book as on of the Prizes. Then their will be Free memberships in the NRC, Club Stationary and Club stickers ect. The prizes depends a lot on how much interest there will be in this contest. START NOW AND DO YOUR SHARE TO MAKE THIS CONTEST A SUCCESS. Is your Editor entering in this contest Well you can bet your sweet life I am and I will give you all a run for your money. Hi.

 --GOSSIP OF OUR MEMBERS--

Sure was good to hear from Sergio Gonzalez again and we sure appreciate his fine reports. Heres wishing you the best of luck Sergio OM in your work on your plantation. I wish I had some of those fine strawberries here. Bet they taste good. Ey what.

Sorry fellows this ia all we have room for this week. Hope that we hear from all you new members in the very near future.

REPORTERS OF THE WEEK

NOLPO #6 Carl Forestieri, 2224 Adams Place, Bronx New York N.Y.
NOLPO #7 Merton Hiatt, Box 7, Dryden Washington
NOLPO #9 Fred Alfred, 748 Little Grey St., London Ontario
NOLPO #11 Stan Brus, 1441 Bell Ave., North Braddock Pa.
NOLPO #12 Eldon Addy, R.R.2, Marcus Iowa
NOLPO #16 Mel Oliver, 804 National Standard Bldg., Houston Texas
David Thomas, Proctorville Ohio
Leo Herz, 730 Roscoe St., Chicago Illinois

This week we welcome another new reporter in Mel Oliver of Houston Texas. We sure are glad to have him with us and we assign him as NOLPO #16 of the NRC SW pages. From Mels first report we know we are going to enjoy having him as one of our reporters as he sent in a FB report. Thanks to you other loyal supporters of the NRC for your fine reports. Your reports have been arriving here steady as clock work, and it looks like the HONOR ROLL for Feb is going to be chuck full of names. Hi.

ATTENTION NEW REPORTERS & MEMBERS

Your Editor has been receiving a lot of letters from the members questioning the information of just waht days of the week I want their reports in. I would like to have your reports in by Saturdays mail of each week as in the way I can lay out the reports over the week end. However all reports received in Mondays mail gets in the bulletin just the same. The reports are mailed from here by Air Mail on Tuesday Morning and your Editor receives his bulletin each Monday and thats what we call fast service.

SHORT WAVE CONTEST OF THE NRC

Last week your Editor publish the rules governing our SW contest which lasts for 1 year. I hope every one enters this contest. I have one more rule to add and that is "Be sure and send me the calls of the veries you receive as I am keeping a record here of every member that enters this contest. As soon as you recieve any veries that are for reception from Midnight Jan. 1 1939 be sure and notify your Editor at ONCE. Prizes in this contest will be published as soon as possible. Your Editor is trying to get one of his Cabinent Making Friends to make up a swell trophy which will be awarded the winner as one of the prizes.

VERIES DEPARTMENT

Mel Oliver-YV5RJ YV5RR W9XJL ZS4H: Eldon Addy-COCW W6XKG; Fred Alfred-CB970 YDB HJ3CAX OAX4J: Leo Herz-W9XBS:

Fred Alfred has now received his 50th 5,000 miler verie & is really going to town.

RATINGS OF OUR MEMBERS

David Thomas sent us his correct standings so we have added his name again to this list. Dont forget to keep your Editor informed on these ratings.

SHORT WAVE NEWS

--RATINGS OF OUR MEMBERS--

MEMBER	VAC	VIC	VERIES
David Thomas	33	108	846
Leo Herz	6	65	500
Mel Oliver	5	51	135
Carl Forestieri	3	41	197
Eldon Addy	3	39	81
L. Lundberg	1	31	94
Bob Hoynes	1	13	20
Fred Alfred	0	62	365
Cyrus Will	0	34	80

ULTRA HIGH FREQUENCY DXING

Leo Herz informs us that W9XBS operates on 41.000 megs with a power of 45 watts. They have no regular Sked & they really send out a VFB verie. Their QRA is National Broadcasting Co., Chicago Ill.

W8XNU 25.950 Cincinnati, Ohio was hrd R9 at 9:00 PM (# 7-Washington)
 W9XUP 26.150 St Paul Minn. Hrd R9/Q5 from 6:15-6:30pm (# 7-Washington)

QUESTIONS & ANSWERS DEPARTMENT

Carl Forestieri says the call of the New Daventry station on 17.810 meg is GSV which is hrd at 8am with R8 signals. Tnx for the tip Carl as your was wondering what the call was too.

Eldon Addy wants to correct himself from last week by stating that the new call of VE9CA is CFVP & not CFBT. Eldon also wants to know what South American is hrd on 11.715 megs right above HP5A with announcements repeating Paraguay. (Fred Alfred in this weeks report tells us the station is ZP14 on 11.720 megs located at Villarica Paraguay. (Their Sked in from 7:07pm-9:07pm EST daily. Editor)

Stan Brus wants to know if W2XE has changed freq from 6.170 megs to 6.120 megs as he hrd them on this freq at 12:45am. All club magazines list W2XE on 6.170 megs but Radex lists them on 6.120 so who can help Stan out. Stan also hrd a station on 9.570 megs from 12:30am-1:00am EST transmitting CBS programs from the Hotel in Beverly Hills Calif. At sign off they played "The Stars & Stripes Forever" and not the National Anthem as US stations sign off with. They were received with R3-4/Q2 signals. Who can HELP STAN OUT. Stan also received a French Speaking Station on about 7.5000 megs from 6:45-7:00pm EST with R5-6/Q3 signals & he wants to know if this station is FG8AA. There was a slight CW QRM on them. (The station Stan OM is FG8AA at Pointe-A-Pitre Guadeloupe, F.W.I. who operates on 7.435 megs from 6-7pm EST (Editor)

STATION SKEDS

----- EDITORS NOTE -----

HEY! What are you fellows trying to do? Hi. If this keeps up OM Harry will have to make 2 bulletins a week. 1 for SW and another for the BCB. Boy O Boy. I don't now where I can get all the news for this week in this bulletin but I shall try. Might have to leave some of it out though. Pls excuse the slight delay in answering your letters but I received 93 letters in 3 days. Hi. Keep Up your fine work Gang. Its a pleasure working with you all.

REPORTERS OF THE WEEK

NOLPO # 1 Bob Hoynes, 41 Vassall Road, Brixton S.W.9. London England
NOLPO # 6 Carl Forestieri, 2224 Adams Place, Bronx New York N.Y.
NOLPO # 7 Merton Hiatt, Box 7, Dryden Washington
NOLPO # 8 Cy Will, 651 Brier St., Kenilworth Illinois
NOLPO # 9 Fred Alfred, 748 Little Grey St. London Ontario
NOLPO # 10 Nick Woytan, 309 So. Wilbur Ave., Syracuse N.Y.
NOLPO # 11 Stan Brus, 1441 Bell Avenue No., Braddock Penna.
NOLPO # 16 Mel Oliver, 804 National Standard Bldg., Houston Texas
NOLPO # 17 Robert L. Blanchard, 206 Prospect Park West, Brooklyn N.Y.
Joe Brauner, 17 East Spring St., Williamsville N.Y.
Leo Herz, 730 Roscoe St., Chicago Illinois.

Thanks fellows! Plenty of news this week. It is getting to be a weekly habit having new reporters & this week we take pleasure in Appointing Bob Blanchard as NOLPO # 17. Sure glad to have you with us Bob OM and we hope that you enjoy your membership as much as we enjoy having you with us.

THE STORY OF RADIO ANKARA

Station TAP, Radio Ankara located at Ankara Turkey operates on 9.460 megs using a power of 20kw. This Asiatic signal is hrd penetrating the ether every day from 1-5pm EST. From 1-3pm there is Native Music followed by 1 3/4 hours of International Selections played from recordings. At 4:45pm a Lady announcer reads a series of News Bulletins & at 5pm the station signs off with the Turkish National hymn. Practically the same routine is followed daily. Send all reports to "Radio Ankara, Ankara Turkey. This info was supplied by Carl Forestieri, NOLPO # 6. Tnx OM.

VERIES DEPARTMENT

Mel Oliver-W2XQO (Letter): Bob Hoynes-(Card): Leo Herz-HCJB PK1JR and Radio Martinique: Larry Lundberg-G6JL IQY & 2R04: Joe Brauner-OAX4J : Merton Hiatt-W9XA: Cy Will-IRF: Carl Forestieri-YV1RD & HI3X: Fred Alfred-CD1180 & HC1PM... HC1PM veries with a VFB card. On the right hand side of the card is a fellow sitting on an antenna which is leaning on about a 45 degree angle & he is holding an umbrella in one hand & a wireless bug in the other. Then there are flashes across the card to the left hand side & here is a Hindu standing on a ladder & he is being held up by a monkey. A little farther up the card is a chinaman sitting on an antenna & it is leaning over to. At the top of the card on the right hand side is Uncle Sam, sitting in an antenna as if it were a hammock. It really is a very funny card & a very fine addition to the collection (Alfred)

OAX4J sent a FB (SL on a card made up of double postcard type printed in red & black on a white card & signed by Antonia P. Vazquez, Mgr. (Joe Brauner)

IRF verified with a white card with blue letter (Cy Will)

SP48-sent a white card with great big letters signifying their call (Bob Hoynes)

SHORT WAVE NEWS

Italy is verifying IRF & IQY with the same type of card with only the calls changed on it. The 2RO stations are all verified with the same type of card with the station verified checked. (Lundberg)

GOSSIP OF THE MEMBERS

Cy Will says the SW Contest sounds VFB & to count him in as entered. He says the trophy will make a dandy first prize and a swell addition to his DX den. Cy says the SW department is looking VFB and thinks we have the best SWBCB dept of any club. (Oh Oh ! Looks like Cy thinks he is going to cop the first prize in the contest. Hi. Many thanks for your fine comments OM. Editor)

Stan Brus likes the new set-up and wants to enter the SW contest and states he has a good start all ready. (VFB OM and more power to you and send in your veries as soon as you receive them. (Should say send in your list. Hi.) Editor)

Leo Herz sent reports last week to W6XBE TG9BA HK5AR and EI8J and also means business when he says he is going to cop that first prize. (Your Editor will have something to say about that to OM. Hi Hi.)

Carlo Spatari-Writes that he has received word from Sr. Eduardo Perez, the new director of Electrical Communications for the Republic of Guatemala, Central America.

DDFR - TG-1, 1310 kc., broadcast band.

DDMS - TG-2, 6190 kc., 49 meter band

DDFF - TG-3, actual experimental station

Radio Morse of this Direction General.

Due to heavy correspondence received in SPATARI, our supply of the "veries" cards is nearly exhausted, and we will soon have new ones, with TG-3 included, which is now operating on different frequencies in the Short Waves, to locate a good channel, for overseas reception..."

NOW a word from Headquarters**:-Carlo has come forward with a wonderful offer for the Short Wave Contest, Carlo will donate a "Spatari Radio Language Book" as one of the prize's to your contest. And to you members that have not seen this book have one big surprise coming to you. In addition to this Carlo will donate a Spatari Book to the member reporting the greatest number of announcements or programs in "SPATARI (If Carlo will give Headquarters the list of stations that carry the Spatari CALLS, we will list them so that you members can get after this book that Carlo is offering.) Now the last but not less offer that Carlo makes, he will give TEN UNIVERSAL RADIO TIME COMPARISON CHARTS can be given as consolation prizes to other contestants, in what ever way we choose... So we will work out a plan to place this last offer of Carlo's. Do not forget drop Carlo a line of thanks:- Carlo Spatari, 27-20 25th Avenue, Astoria, N.Y.. Thanks Carlo for the very generous offers and every NRC member will not forget and give you a boost when ever they can.

Well another year has went around and its time for our election, for the benifit of the New Members, we will explain a little about the election...The NRC elects 9 members to the Board this Board has controlling interest over the club for one year..None of the officers has the power to put their OK on any matter untill it has first been OK'ed by the Board.None of the Board members,can not act on any matter with out the full Board in one body to pass on the matter..This Board is elected then they Elect their Chairman, then the Board Votes on thier choice for Officers to hold office for one year..Here's the way the Board works if any of you members have a complaint to enter its sent to the Chairman of the Board, he in turns take the matter up with the Balance of the Board members, to decide what action is to be taken...The same applys to the President of the Club, if he runs into anything irregular he in turns, submits the information to the Board and what ever they say about the matter is law.....Now a personal word from the President of the NRC I must say that the Board of Directors have been one big help in making the NRC the Club that it is today, so I will say that a big vote of thanks to each and every Board member that have servered on the Board the past year...Now a word to the Officers I have never worked with a nicer bunch of boys in my life,and a big vote of thanks to each and every one of them...Also to the members of the NRC, its been you members that have made the NRC go to the top, so thanks to you.

Now to combine all the three groups together the Board, Officers and Members, its been their co-operation that have made the NRC the club that you members wanted and like....A very short note to the other part of the Club, the Editors, what a job they had I know as I have been acting as Chief Editor, and I will say that there never was a more loyal Editor Staff than the NRC,has had the past year...To the CPC Staff these boys have suffered this year, as I personally know that they have worked very had and have made very little head way,but it was no fault of theirs..Thanks to all you boys that have help to make the NRC the club that it is today..Your President, Harry M Gordon.

*-----
---BALLOT--- --TEAR OFF HERE-- ---BALLOT---

Elect only nine for the Board, the names below are all in good standing and are eligible to run for Office.--VOTE FOR ONLY 9--

William H.Stone	Joseph "Pat" Reilley	John H.DeRosa
Joseph J.Becker	Robert Botzum	Leo Herz
George Brode	Ray Lewis	Merton M.Hiatt
Harold W.Criswell	John C.Kalmbach	
J.Warren Routzahn	Edward Feichtner	
Jack Horner	Merlin Steen	
Richard Cooper	Peter A.Clarius	

List you stations that you would like to hear on a Special DX the next year.This will give the CPC an idea as to what to work on.

Are you satisfied with the present form of goverment thats running the NRC.

On the back side place any remarks, or ideas that you think will help the NRC,to be a better Radio DX Club.

All VOTES MUST BE INTO HQ BY MARCH 26TH 1939

SHORT WAVE CONTEST OF THE NRC

Say Fellows! Have you notice last weeks bulletin to see what one of the prizes is going to be. Boy Oh Boy that Spartari Language Book will make a dandy first prize along with a trophy. Hi. Some of the prizes to be offered are a Silver loving Cup, A trophy, Spartari Language Book, New Ham Call Book, World Globes, NRC Stationary, Stickers and free memberships. We have not as yet grouped the prizes as to how they will be offered as it seems that more and more prizes are being offered all the time. No matter how they will be arranged you all can rest assured that the prizes will be worth working for so start sending those reports out today and as soon as you receive any veries dated for reception since Jan 1, 1939 be sure & let me know what the calls are.

STANDINGS SO FAR

Leo Herz-VIC-8, veries-10: L. Lundberg VIC-2, veries-4: Heres hoping you all enter this contest.

SPECIAL LAST MINUTE FLASH

Your Editor just received a letter from WUMS Proctorville Ohio operating on 2004 kc using 1-5 watts with the following information "The Ohio river will reach Flood stage tonight (Sunday). WUMS will be on nightly between 7-9pm EST during this condition, which should last 5 days or longer. We will transmit on the hour and 1/2 hour for about 5-10 minutes. Each transmission will start with a piano solo. Pls try for us and advise rest SW DXers. Send out filled reports.

Your Editor was also informed that station TAP at Ankara Turkey 9.465 megs is temporarily off the air mainly because they may be seeking a better channel to work on.

HOW TO MAKE OUT YOUR SW REPORTS

Convert all time into EST of the USA. When listing a station be sure & give the frequency it was hrd on & where it is located at. That is if you know. Try & group your material according to Continents. By doing the above you will be saving your Editor many hours of work. Any time you have any Scoops or Hot news send it direct to HQ at Erie. (Editor)

SHORT WAVE NEWS

RANDOLPH HUNT-Leucadia Calif. Last August OAX4J Lima Peru asked that I give publicity to their verification policy through the different reviews Edited in the U.S., at that time I was not a subscriber to any Radio mag. the one I now take fails to use my 'Stuff' therefore I ask NRC my only DX Club to Publish parts of the OAX4J letter, "QUOTE" " We will say that since about 5 months ago we have discontinued sending cards of verification to the listeners who have written to us asking for them, as we find these listeners have copied from some review our call letter and write us for our card without having even listen in. Let the fact be known that we will only send our cards of verification to the ones who writes us giving part of the program and the exact hour they heard it.... send mailing coupon, stamped envelope or stamp. Naturally many of the listeners belong to different clubs of the U.S. and we cannot oppose them in the matter (Dime Veries) but we will say we pay little attention to direct arrangements and offer of clubs which are dedicated strictly to this business. Our attention is for the listeners and not for the clubs. It is well for them to direct the interested ones, but not to commercialize them" End Of QUOTE. I might add that in June 1938 over 30 Latin American stations were written by me regarding methods of verifications, and since that time I think that many of the SW DX'ers have notice verifications can be obtain direct from a dozen or more of these stations and that reports do not have to be sent via any particular club or clubs.

CARLO SPATARI-Astoria N.Y. RECEIVED BY AIR MAIL:-I was pleased to note that you were satisfied with your special program, and that the pronunciation of the messages by our speaker was quite good. Indeed, we received only yesterday, about 15 reports in your language confirming this. Up to now, we have received over one hundred of reports in the Spatari Language, and daily new reports are arriving,.... All the reports we received are prasing your new language and also some people are interested in know something about it.... For that all listeners may have another chance to hear more of this lanuage, I have decided to dedicate to you soon another program one Saturday night, and await your insinuations..... Awaiting your reply, I remain, yours very truly.... Eduardo Perez F., Director General of Communications, Guatemala, Central America.

BCB LPO REPORTS-Cont.

JIM WALKER-Romney W. Va. Since August 4th 1938 I have logged the following. (Verified underscored) ~~WJLS KWSA TOL WCOU K~~ ~~KXOK~~. In Sept ~~KMTI KMAN WJMS KYOM KRLC KPFA KENT KRIC WELI CHLN~~ In Oct. ~~KATM WMAN WJIG XEN KJTB WJST~~. November ~~WJBC PRG2 WMAN CMT CPQC CJM~~ ~~KVI KTKC KMED XEDA KUTA XELZ KVHS XBFL KCHH CKPR KFXM~~. In December ~~WJHL LPA HJ3CAZ WMO BSL~~ (Is this a verie) ~~XEQ WMA KHUB XEAT XEBS CPCT~~ ~~WSTP CX18 YVIRA~~. Jan. 1939 ~~HJ1ABN WORC CMCH YVIRF KMAN XBFL KMAN XJTB~~ ~~WCOV KTSW PRF3 CHCS XECL~~. February 1939 ~~CKCA KVWC CMKZ KVNU XEDH KVEC~~ ~~KSEI KSBK KJLO XEBH WJLS~~. March ~~WJMC XEBW~~. These increased my log from 797 to 876, 79 station s/o I would like to know who signs any of the stations not underscored. I hope Floyd Bliss did not mind my using his method (Underscoring verified stations).. Dog-gone it Radex is a swell Mag., but they are late with news. Randolph Hunt you must mean Radex. They say they will not put anything in untill they hear from the station itself. Or something to that effect.. Was it possible that it was XECL that I have been hearing on 1110. (Yes OM it is as I have them verified NOW FROM that Freq, just as I reported them last FALL. HMG) Bob Botzum the Spanish station on 1220 was XEDA. Heard CMBG on 1140 kc DXing for URDXC March 1.

SHORT WAVE CONTEST NEWS

I hope that you fellows did not forget to drop a line to Carlo Spatari, 27-20 25th Ave., Astoria N.Y. and thank him for the VFB prizes he has offered to the NRC SW contest. Thanks a million Carlo OM for your kind generosity. You are indeed a real friend of the members of the NRC. We shall never forget you.

Carlo Spatari has donated a Spatari Language book as one of the prizes for our contest. To the member reporting the most number of announcements or programs in Spatari, Carlo will also donate a Spatari Language book. We are trying to get a list of the stations that carry the Spatari Calls. Then last but not least Carlo has offered Ten Universal Radio Time Comparison Charts which we can donate in any way we wish. Now fellows dont you think Carlo is one grand guy. These prizes are well worth working for and in addition to the many other VFB prizes being offered we should have a very fine interest showed in our contest and I hope every SW member joins in on the fun.

The CW fans think we should have a contest for them. We are trying to work this out the best way we know. As soon as the BOD has put their OK on the prizes and rules ect we shall list the prizes. Meanwhile get busy and get those veries. Cy Will thinks it would be a good idea to publish the veries the members enter for the contest and this we shall do each week.

RATINGS & VERIES RECEIVED FOR CONTEST

REPORTERS OF THE WEEK

NOLPO # 8 Cy Will, 651 Briar St., Kenilworth Illinois
NOLPO # 9 Fred Alfred, 748 Little Grey St., London Ontario
NOLPO #16 Mel Oliver, 304 National Standard Bldg., Houston Texas
NOLPO #17 Bob Blanchard, 206 Prospect Park West, Brooklyn N.Y.
Leo Herz, 730 Roscoe St., Chicago Illinois

Thanks fellows. Do you fellows know that ever since I have been short Editor for the NRC that Leo Herz has not missed one single week sending in a report. And do you know that ever since Fred Alfred has joined the NRC that he has not missed a single week sending in a report. That what we call VFB and these fellows should get a medal or something. Hi. Keep up your fine work fellows. The SW pages of the NRC has begun to gain recognition. Its you reports that have made it so Tnx a million.

QUESTIONS & ANSWERS DEPARTMENT

Mel Oliver has been hearing a Mexican Station daily coming on the air daily at 6:45pm EST on 6.080 mcs using LCB call of XEQ. Can anyone help him out.

Your Editor wants to know if Paris Mondial verifies with a card or letter. SOS some one.

VERIES DEPARTMENT

The following veries were received by our members during last week.

Dont forget fellows this column is of extreme interest to all our members as it lets them know just what stations do verify. Mel Oliver:-CB 1185 & HILJ, Leo Herz-CO2SE EA8AE W6XBE ON5RI G2IS KJ3ABD, Cy Will-CE2 BX, L.Lundberg-VE4SY DJX & DJJ, Bob Blanchard JZJ & JZK, Fred Alfred-SP19 SP25 W6XBE VUM2, (Nice bunch of veries Ey what Dellovs)

Fred says that SP19 & SP25 had previously verified with a letter & said they would sent verie cards as soon as they were printed & they kept their word. W6XBE verifies with a letter but stated that they would send QSL cards to all as soon as they arrived from the printer. VUM2 verified with a VFB card. Bob Blanchard tells us that JZJ & JZK verified with the same type of card but different calls printed on it. Tnx for the VFB information fellows.

There has been so many changes in the rating of our members that they have requested to reprint the standing this week.

Hrd on 15.170 megs from 1-1:45pm with R8/Q5 signals (# 17-N.Y.) ..TGWB 6.495 Guatemala City hrd R7/Q5 with good signals from 11-11:15pm (I7-N.Y.)

PANAMA-HP5A 11.700 Panama City hrd R8/Q4-5 from 7-7:30am. (Herz-Ill)

WEST INDIES

CUBA-COCH 9.436 Havana hrd R6/Q5 from 7-7:45pm. (# 17-N.Y.) ..COCH 9.740 Havana now hrd on this freq with a very fine signal at 11pm. They have moved from 9.310 megs. (# 9-Ontario) ..COCC 8.830 Havana hrd R8/Q5 with excellent signals from 10-10:15pm. (# 17-N.Y.) ..COCF 11.300 Mantanzas hrd R7/Q5 from 10-10:30pm. (Herz-Illinois) ..

SHORT WAVE NEWS

DOMINICAN REPUBLIC-HIN 12.436 mcs Trujillo City hrd R7/Q5 with fair signals from 9-9:15pm. (# 17-N.Y.) This freq is a Harmonic but is so well received that the station verifies reports on this freq. (Lundberg-Minn)

F.W.I. Radio Guadeloupe, FG8AH hrd R5/Q3-4 from 7-7:15pm. (Herz-Ill)

MARTINIQUE-Radio Martinique-Fort DeFrance using the slogan "The Voice Of France in The West Indies" was hrd R8/Q5 with good signals from 8-8:30pm (# 17-N.Y.)

NORTH AMERICA

MEXICO-XEWW 9.500 Mexico City hrd with good R8/Q5 sigs at 3pm (# 17-N.Y.)

U.S.A. WQV 14.800 Rocky Point N.Y. hrd testing with HVJ at 11:20am with R8/Q5 signals. (# 9-Ontario)... NMY ?????? New York N.Y. hrd with excellent signals R9/Q5 at 9:30pm giving special Storm warnings & gave their regular sked as 11:30am-11:30pm (# 17-N.Y.) WLXAL 6.040 Boston Mass hrd R9/Q5 at 8:30pm. (# 8-Illinois)... WLXAR 11.720 Boston Mass hrd testing in the afternoon & signing around 5:30pm with R9/Q5 signals. (# 9-Ont) This station was hrd on Sunday giving news in English from 6-6:30pm EST at which time they signed off on a freq of 15.130 mcs. They said this was a regular feature broadcast daily & they broadcast programs from the World Wide Broadcasting Foundation. (Lundberg)... W2XGB 12.862 Hicksville N.Y. was hrd testing from 11am-Noon with R9/Q5 signals. (# 9-Ont) W6XBE 15.330 Treasure Island, San Francisco Bay Calif are at present verifying by letter as their cards have not as present came from the printers. Their sked for the present time is as follows. 12:30-4:00pm for Mexico, Central & South America:- 7-10:00am for the Orient. Until further notice the only freq to be used is 15.330 mcs or 19.56 meter. Amplifier is rated at 20,000 watts, radiating approximately 200,000 watts in the direction of So America in the evenings & towards the orient in the morning. They are using a Alexanderson 30 deg beam panel directional antenna. QSL cards are sent from General Electric Co., 235 Montgomery St San Francisco Calif. (# 9-Ont) Station announced over the air that all reports should be sent to W6XBETreasure Island, San Francisco Calif. Tnx for the VFB info on this station Fred Om (Lundberg) (Herz-Ill) W3XX 15.210 Pittsburgh hrd R9/Q5 at 1:45pm (# 8-Ill)... W9XBS 41.000 mcs Chicago Ill is on sometimes till midnight (Herz-Ill).

SPECIAL NOTICE

The New Station on 9.710 mcs is RKF located at Bogota Colombia So. America. They are hrd very poorly & have very poor modulation. Their slogan is "La Voz de Bogota" and the QRA is Apartada 312, They are hrd till 11:00pm EST. (Lundberg-Minn)

LRA on 9.690 mcs at Buenos Aires Argentina is announcing as LRA & LRA1 Radio Del Estado" (Lundberg-Minn)

CXA6 is the new call of the former CXA4 & they are transmitting on 9.620 mcs nightly till 9pm EST relaying CX6 of Montevideo Uruguay. They are hrd with very poor signals being surrounded by heavy QRM. (Lundberg)

GOSSIP BY THE MEMBERS

Bob Blanchard writes & tells us that he uses a 12 tube Zenith No. 12A 57 receiver & his best QSL's are VUD2 OX2QY VELIN which was "Bowdoin Kents Island Expedition" G6BW JZJ & JZK. He has many other veries but these are the ones he considers his best. He has hrd 47 foreign countries & has QSL's from 37 countries. Bob is located in a district that is surrounded by very heavy local QRM & this stops him from getting real DX. However Bob expects soon to be on a farm in New Jersey way up high in the air where it will be free from QRM.

--CONGRATULATION--

To Larry Lundberg and Leo Herz, in their first year as Editors for the National Radio Club, and congratulations goes to them from Headquarters, it has taken Bull Dog Grit for these two boys to hang onto the SW dept of the NRC, many and many a issue there has been only TWO REPOTERS in the SW section, LUNDBERG and HERZ, and here they are still hammering away after a full year. So to Larry and Leo Congratulation's to you two. And I know that all the other NRC members wish you the same. It was just one year ago, Vol. 5 No. 25 Dated March 29 that they entered the SW Dept Editors position.

EDITORS NOTE

DX the past week has been the worst that it has ever been this entire past season. Every member reporting this week tells the same story. Not only has DX been lousy but it has been nil. The members havent heard anything so how can they report anything. During the past week Australia was just arround the corner but Europe often seemed to be another planet. The further away the station the better was the reception of the signal. A freak electrical storm that swept the eastern sea coast probably had something to do with this effect on radio conditions. Befor & after this disturbance very few signals were hrd & when the storm was at its height not one signal came thru on any part of the Short Wave Spectrum.

Because of the lack of news for this week your Editor is Editing a part of the SW section a day shead of time & will give you some of the data sent in by Carl Forestieri of New York from a clipping which appeared in the New York Sun Paper. We hope this information proves of interest to our members & will sort of compensate for the lose of our regular news of the week.

Your Editor also wishes to thank Station KSL for their dedication to him and also to Pete Clarius for his special greetings sent over WAWZ. Also thakns a million to Carlo Spatari for his fine letter & his extra VFB card he sent me. I hope all you members sent Carlo at least a card to thank him for the prize he has offered to our SW contest.

NEWS FROM HERE-THERE & EVERYWHERE

The Turkish Broadcasting System Ankara Turkey:-
TAQ 15.195 megs. 20 kw on from 5:30-7:00am EST: TAP 9.465 megs 20kw on from 11:30am-5:00pm EST: Opening Announcement "This is Ankara Calling, Transmitting the Turkish National Programme"-Closing Announcement "Dear Friends & Listeners, we are now closing Down"-No special selection for opening of transmissions, transmissions are closed with the Turkish National Anthem.-Signal Intervals-Provisionally-Oscillation of 400 frequency. Announcers-Men & Women: Languages used-Turkish, English, French & German.-Address for Reports:-Correspondence Repartment, Radio Ankara Turkey..Reports of reception from listeners are welcome & verified. Return postage in the form of a IRC is appreciated. Please endeavor to give time of reception in GMT. "Post Talks in foreign Languages including English & German are transmitted on Saturdays at about 3:20pm EST; Transmissions are of an experimental Order & frank criticism are greatly appreciated by the technical staff. The regular programs in foreign languages will be available shortly thru the medium of the better known radio weeklies. (This VFB info was sent direct from Ankara to Carl Forestieri who in turn forwarded it to your Editor. Many thanks OM.)

FRENCH INDIA

A short Wave station with the call letters FNIC is operating on, (Cont)

SHORT WAVE NEWS

14.075 megs from 2:00-3:00am & 7-10am EST & the exact location is Chandernagore, French India.

SOUTH AMERICA

The radio commission of the Republic of Colombia is moving to clear the air of all SW stations that have been operating above 49 meters. HJLABP 9.618 The Voice Of Cartagena will be off the air by July & will either be on 62 meters or silent. Only 3 SW stations are active now as all have been ordered to that portion of the band between 60 & 62 meters. No more licenses are to be issued since that part of the band has been completely filled in.

FRANCE

The French Government is testing a new transmitter on 7.280 megs & the signal is reaching here with clarity & Strength.

40 METERS

Drastic changes are taking place everywhere on the short waves. European countries are building high powered transmitters to operate on 40 meters which was once considered a strictly Amateur Band. Between the hours of 2-5am some real catches can be made on 40 meters which has become a very interesting band. A diligent listener should be able to log all continents except Asia within a few hours.

ENGLAND

The British Broadcasting Corporation station will commence transmissions intended for Indian Listeners on GSV 7.249 megs & GSW 7.260 megs in the early Fall but tests will start a long time before this. The power will be 100 KW.

PITCAIRN ISLAND

The following letter was written by Andrew Young, Radio Operator of VR6AY 14.346 megs on distant Picairn Island in the South Pacific ocean to Horace Hall of the New York Sun. "My transmitter is not working, I'll try & get a radio operator aboard one of the ships to come ashore & help me. But if I can't get him to come ashore I'll have to wait till I get help from you folks up there. The trouble with the transmitter may be a thousand things." Andrew Young, although experienced in Seafaring matters, is very inexperienced in radio so VR6AY must remain silent until the captain of a passing ship permits his radio operator to go ashore. VR6AY has been off the air since January 20, 1939.

REPORTERS OF THE WEEK

NOLPO # 6 Carl Forestieri, 2224 Adams Place-Bronx New York N.Y.
NOLPO # 7 Merton Hiatt, Box 7, Dryden, Washington
NOLPO #9 Fred Alfred, 748 Little Grey St., London Ontario.
NOLPO # 10 Nick Woyton, 309 South Wilbur Ave., Syracuse N.Y.
NOLPO # 16 Mel Oliver, 804 National Standard Building, Houston Texas
NOLPO # 17 Bob Blanchard, 206 Prospect Park West, Brooklyn N.Y.
NOLPO # 18 John H. DeRosa, 661 Ovington Ave., Brooklyn N.Y.
NOLPO # 19 E.H. Manning, 12040-65th St., Edmonton, Alberta
Leo Herz, 730 Roscoe St., Chicago Illinois

This week we welcome two more NOLPO's to our realm. We have appointed these positions to OM Manning & OM DeRosa & we hope you two fellows will enjoy being with us and that we will hear from you often. Many thanks to you other loyal supporters of the NRC for your fine reports. (Larry may I enter a short report. Hi. HMG. (March 23) JZI 9.535 Tokyo hrd R9/Q5 from 7-7:30am EST with English and Japanese. XGOY 9.500 Shanghai was hrd about 7:30 AM with R5-7/Q3-5 very deep fading. There were quite a few other stations on the 31 meter band on March 23, also several on the 19 meter band but were fading too fast for reading signals. The German stations in early evening the past few nights with R/9 plus signals, as well as most of the other Europeans, have hrd VUD2 several times. Will take a place on your Short Wave Reporters this summer. Don't tell anyone.

U.H.F.DXING

W8XNU 25.950 Cincinnatti, Ohio hrd R8/Q5 at 6pm. (# 7-Washington)

QUESTION & ANSWERS DEPARTMENT

Mel Oliver says the Mexican on 6.080 megs that he sent a SOS too last week turned out to be XEWQ relaying XEQ on 710 kc.,

Fred Alfred says that he has noticed many of the members reporting hearing Norway down arround 8 megs or 7.500 megs. Fred says he has tuned for Norway on thisband several times without results & he is wondering if the members were not listening to a freak harmonic or something. (Would some of our members help to clear up this question.)

NOLPO REPORTS OF THE WEEK

AFRICA

MOZAMBIQUE-CR7BH 11.720 hrd at 3:30pm with R6-7/Q4 signals. They are located at Laurence. (# 18-N.Y.)

--SPECIAL NOTICE--

All the OLR stations are off the air according to a newspaper despatch from Prague. They will remain off the air for sometime. (Herz-Illinois)

--SW CONTEST NEWS--

This week we welcometwo more contestants to our contest & we hope many more of you fellows will enter. E.H. Manning says "After reading about the contest & noting what the prizes are going to be I begin to get interested so I just sat down and decided to enter the contest and join in on the fun. (Thats what we call the real spirit Manning old boy and I hope all our members will get as enthusiastic about the contest as you are.) Nick Woytan says "I do not do much verifying because of lack of work but you can count me in on your contest." (Tnx a million OM for your loyal support. Editor)

--STANDINGS SO FAR--

MEMBER	VIC	VERIES	VERIES RECEIVED LAST WEEK
Leo Herz	13	19	LX1AY-COBX-EI8X-K6ILW
L. Lundberg	3	3	VELCR
E.H. Manning	1	1	OAX4J
Nick Woytan	1	1	G6JL
Cy Will	1	1	

Lets all join in on the fun fellows. Send me your list of verie.

--GOSSIP OF THE MEMBERS--

John H. DeRosa says he will be a weekly reporter to the NRC. He has a Howard 450A receiver and says it is a honey & is mighty glad he bought it. (Thanks for your fine comments OM. Larry)

E.H. Manning sent out reports to TAP and VUD4 for the contest and watch this boy step from now on. Hi.

Carl Forestieri has been feeling under the weather and we all hope he has returned to normal again. Carl even did not have the enthusiasm to tune his receiver last week. We wish you a quick recovery OM.

Nick Woytan is President of the Globe Circlers DX Club & World DX Alliance and says he has reports out to Barbados, Brazil, South Africa and St. Lucia this last week so watch this fellow too in our SW contest. Nick says that the verie from G6JL was the best looking card he has ever received.

SHORT WAVE NEWS

Fred Alfred has a son who is interested in DX and has logged all 6 continents all by himself and your Editor thinks that maybe the son will beat the OM in DXing one of these fine days. (Fred sent me a letter, and here's a little info about his soon's DXing. Stations heard the past week. TGWA TGWB XEWW COCM COCH DJD DJA GSB GSC GSD W3XAL W8XAL CFRX JZI ZRK, I logged this chap for 30 minutes. 20 meters G5LU W5EHT G8MA HI3N VE1BC... B.C.B. WHOM WWVA WTAM KOA. This station were all hrd on a 4 tube, home made set, using all old tubes 1-235, 2-227's and a 80, and for antenna he uses a flat top 70 foot long and 30 ft High. (Yes Larry I agree with you the OM will have to step on it, and a little information for you birds hadn't you better watch out also, better watch out anyways. HMG.)

The recently organized Newfoundland Broadcasting Corporation's new 12.500 watt, transmitter VONF at Mount Pearl, went on the air March 13th 39. The Station will be known as The Voice of Newfoundland. (# 9-Ontario)

TGWP 2.320 kc working in Parallel with TGWA and TGWB, believe this is the new call of TG-3 heard 10-11:30 pm also works on noon Sked 12:45-1:45 PM EST. (# 9-Ontario)

Randolph Hunt-Leucadia Calif- (The West Coast Crab) Nothing is said about the source from which veries may be received to be eligible in the Short Wave Contest, does the contestant have to write direct to the station for his verie or can they be obtained through another club. I believe that the Board of Directors should rule on this matter. I have verifications from HJ3ABD and PRA8 received last September, all I did to get these was to write them that it was un-American to make DX'ers pay a fee for veries and that they should allow DX'ers to write direct. I did NOT send any report of reception. (I believe that Randolph's question is whether the supposed to be DIME veries will count in the SW contest. HMG.)

Bob Blanchard has verified all continents but Oceania, but he has a swell list of veries from the other continents.

--CONGRATULATION--

TO:- Cyrus Will, with this issue Cy has been with the NRC for just one year, and with him like Larry and Leo he has had a hard up hill pull, but he's like Larry and Leo he has Bull Dog Grit also and have hung on, and now he's getting the reporters. Thanks to you OM. HMG.) Now a word from Cy himself. With this issue I begin my second year as amateur Editor and as a member of the National Radio Club. This past year in the National Radio Club has been a most enjoyable one for me. I don't think there is a finer bunch of fellows anywhere. As for the amateur page. I hope you have enjoyed reading it as much as I have enjoyed editing it. At first we were handicapped by few reports, but we now have a number of fine DXers who are reporting regularly. I hope by next year we will have many more. I also want to take this opportunity to thank those who have sent in reports during this past year. By the way fellows, since the summer season is best for SW DXing and since there is less BCB news we can write a little larger amateur section if you supply the news, so let's us have those ham reports and we'll try to give you a ham section surpassed by none. I also hope many of you will join in on the SW contest as it looks like there will be some real fun in it.

ALL TIMES

E.S.T.

Assnt SW editor

Leo Herz

730 Roscoe St.,

Chicago IllHONOR ROLL FOR MARCH

Following are the members who are eligible for placement on the Honor Roll of the NRC SW bulletin for the Month of March. To get on the Honor roll one must report at least twice a month. Following your names are the number of times you have reported. Some of you fellows have been on the Honor Roll every month since we have started this department and many thanks for you fine work....Leo Herz (4): Fred Alfred (4): Mel Oliver (4): Bob Blanchard (4): Nick Woytan (4): Cy Will (3): Carl Forestieri (3): Honorable mention goes to Merton Hiatt, Sergio Gonzalez, Eldon Addy John DeRosa & J.E. Gardner. Also many thanks to Herbert Tucker for his VFB info from the IDA.

EDITORS NOTE

My many thanks to Harry Gordon for dedicating the last bulletin to myself, Leo Herz & to Cy Will. I had completely forgotten my anniversary as Editor. Hi. Fellows! This past year as SW Editor of the NRC has been a happy one. I have made the friendship of some of the finest chaps I could ever hope to meet & correspond with. Your fine loyalty to me & the club has been one of the outstanding factors in the success of our bulletin. My only hope is that these friendships may exist forever & that someday in the far future we may look back to these days of friendship as a results of the NRC. My many thanks to our fine Assnt SW Editor Leo Herz for the fine co-operation he has given me through the hard days & now through the good days. Without his VFB help & co-operation it would have been impossible to build the SW section up to what it is now. The foregoing also goes to the BOD & the Officers of the NRC/A finer bunch of fellows could not be found anywhere.

Now that we are on our summer skedule I would like to inform you fellows that I should have your reports in my hands no later than April 17th, May 8th, May 22nd, June 5th, July 3rd and August 7th. DONT FORGET THESE DATES PLEASE.

ATTENTION EVERYONE

As to the Dime Veries in the NRC contest. As SW Editor of the NRC I would like to state that there is not a single reporter to this bulletin that pays a dime for a so called fake verie. This I will vouch my word of honor to anyone. In fact it was not necessary to include this statement in our rules for the contest. Why should we when there are no chislers amongst our members. (Larry Lundberg)

REPORTERS OF THE WEEK

This issue of the NRC SW bulletins dedicated to J.E. Garner of 706 Williamson Bldg., Cleveland Ohio. Who is a new member of the NRC & to whom we assign as NOLPO # 21 of the NRC SW Pages. Mr. Gardner is an Ardent SW fan & we of the NRC are honored to have him with us and hope to hear from you often Mr. Gardner and our one hope is that you will enjoy being with the happy family of SW DXers of the NRC. This week we also take pleasure in assigning our able Editor Harry M. Gordon as NOLPO # 20 of the NRC SW bulletin. Glad to have you with us Harry OM

NOLPO # 6 Carl Forestieri, 2224 Adams Place, Bronx N.Y.
 NOLPO # 8 Cy Will, 651 Brier St., Kenilworth Ill.
 NOLPO # 9 Fred Alfred, 748 Little Grey St., London Ontario
 NOLPO #10 Nick Woytan, 309 S. Wilbur Ave., Syracuse N.Y.
 NOLPO #16 Mel Oliver, 804 National Standard Bldg., Houston Texas
 NOLPO #17 Bob Blanchard, 206 Prospect Park West, Brooklyn N.Y.

SHORT WAVE NEWS

NOLPO # 10 John H. DeRosa, 661 Ovington Ave., Brooklyn N.Y.
 NOLPO # 20 Harry M Gordon, 317 East 10th St., Erie Penna
 NOLPO # 21 J.E. Gardner, 706 Williamson Bldg., Cleveland Ohio
 Leo Herz, 730 Roscoe St., Chicago Ill

Who said the NRC didnt have any reporters. Boy oh Boy. Thanks a million fellows. With the summer coming on there will be less BCB reports and I think we can have a few more pages for SW. WE dont care if Harry gives us 20 pages we will always fill them up. Hi. Wish I had about 40 pages this week. We have enough data on hand for it. Harry thinks he will go fishing this summer but he has another guess coming. He will be kept busy cutting stencils for we SW DXers. Hi. Keep up the fine work, fellows. The NRC is gaining recognition throughout the world and you fellows are the ones that are doing it. Tnx a million to you all. Wish I could meet you all personally.

TUNE FOR WNYF

WNYF is owned by the New York Fire Reapartment & transmits on a freq of 15.300 megs with 500 watts & tests at 8am, 4pm and at midnight EST. The boat operates on 35,30 meters with 50 watts and they issue a VFB verie. Tune for them sometime.

VERIES DEPARTMENT

Leo Herz-VK3SC, LALF, TG9BA, HK5AR: Carl Forestieri TAP, ZAA: Fred Alfred OLR2A, ZRD: Cy Will CX2CO, YV4AE, VOLY: Mel Oliver WAHJ (This stations re-lays WDSW at Champaign Ill.) L. Lundberg W8XK, WLXAR, W6XBE, COCW (Nice list of veries there fellows, wish I had some of them. For your info W8XK now verifies a VFB card)

RATINGS OF OUR MEMBERS

Members	VAC	VIC	VERIES
David Thomas	33	108	846
Fred Alfred	10	64	371
Leo Herz	8	72	525
Mel Oliver	5	52	153

Wlson Addy	3	39	82
L. Lundberg	1	33	109
Bob Hoynes	1	13	21
Cy Will	0	34	84
Bob Blanchard	0	22	38

It has been very interesting to watch these rating of our members increase from week to week. Sometime when we are scarce of news I am going to publish the standing of a year ago and then let you compare it with the present standings. Are there any changes? Watch and see!. Hi!

SW CONTEST OF THE NRC

Most of you fellows are wondering why we have not mentioned the prizes that are being offered. Well we are waiting for awhile as there are some prizes that are being donated by certain concerns & we are waiting till we get all the prizes lined up. One thing we will mention for sure. Their has seldom been a contest where such VFB prizes have been offered & we hope every NRC club member takes active part in this contest & even if you dont win a prize you will be doing your share by just entering the contest. Prizes will be listed as soon as possible. Meanwhile get busy and verify those stations. You have 9 more months to go and even the beginner has as good a chance to win as anyone. Help us to make this contest a success by entering NOW. The rules of the contest will be publ again in the next issue. Following are the standing up to date. Heres ing your name will be among the contestants next time.

SHORT WAVE NEWS

MEMBER	VIC	VERIES	Veries received since last bulletin
Leo Herz	16	23	TG9BA, LALF, VK3SG, HK5AR, W6XBE
L.Lundberg	6	13	WLXAR, COCW, CB970, W8XR.
Cy Will	3	3	
E.H.Manning	1	1	
Nick Woytan	1	1	

Only 5 members have entered so far. Come on fellows, have I not helped you out all I can? Help me out now by entering the contest. With the VFB prizes offered we should have every SW DXer in this contest. Help me to make this contest a success.

DX PROGRAMS

TG1 1310 kc., & TG2 6.190 megs broadcasts every Saturday night from 2am -2:30am EST. (Sunday Morning) on a program which consists of classical music & verification will be issued free. This is a IDA program & send reports to "Mr. Eduardo Peres F., Director General Of Communications, Guatemala, Central America. (Herbert Tucker IDA)

OAX4J & OAX4L Lima Peru are going to place a new station in the 49 meter band & are asking DXers to help locate the most appropriate frequency. They are particularly interested in the following frequencies 6220-6443 6533 & 6583 megs & would appreciate if several NRC members with accurate receivers would study the 49 meter band & after you have noted the best freq send your comments & letter to Mr. Antonio Vazquez P., Manager of OAX4J & OAX4L, Radio International/Casilla #1166, Lima Peru S.A. (Let's show OAX4J that the NRC members are always willing to give them help in emergencies such as this. These 2 stations will broadcast a special DX program June 30th from 7-8pm EST. Let's help them find a favorable freq for this DX program. OAX4J will use 9.330 megs & OAX4L will use 1100 kc., for this DX program.

QUESTIONS & ANSWERS DEPARTMENT

Mel Oliver says Paris Mondial verifies on the same cards as they used for the Old Radio Colonial Station. (Tnx OM for the information. (Editor) Fred Alfred made a mistake last week & says that TGWP should have been TGWC. This was a new station by Fred. Fred also hrd a Oriental Station on 11.890 megs from 7:30-8:00am with R5-6/Q4 signals. Noise level was too high for identification. Is this Radio Hanio. SOS Someone SOS..

AHM FELLOWS

Fred Alfred's son whose name is Remington & whom everyone calls Rem for short sent your Editor a report. Not bad ey what fellows. I told you that Rem would beat the OM in DXing one of these days. Hear are the station Rem picked up on his 4 tube receiver last week. VP6YV, G6LK, VP7NS, W5GCD, G3PS, GM2UU, W9CVN, PAZOEI, G6AG, W9BEU, W1BUZ, G5LU, GM8MN, PAOUN, W4AHH, YN1PR, W5FKQ, W4DSY, PAODR, GI2MN, G2KG & G3PS. Your Editor hasnt even hrd some of these station.

ITEM OF INTEREST TO US ALL

Bob Blanchard says he hrd a Ham on 20 meters say once that the signals from Europe are hrd in New Jersey 15 minutes before they are hrd along the lower coast of New York. The reason for this is that when the sun sets, the signals from Europe are bent down on the lower coast of New York, but when the sun is shining, the signals hit the sides of the hills of New Jersey which is the dark side of the mountains. Now fellows does not this interesting item set most of us to thinking. This might help to clear up some of this freak reception that we have often hrd of.

SPECIAL NOTICE

Your Editor hrd that the Moscow stations no longer will verify reports unless the reports are written out in the language that is broadcast over the air. This means that if we cant write Russian we will have to wait for an English program before we are able to send Moscow a report for verification. CAN ANYONE VERIFY MY STATEMENT.

SHORT WAVE NEWS

J.E.Gardner sends us some very interesting data. He says that for the next few weeks EIRE will transmit from 8:30am-10:00am EST on 17.840 mcs & from 12:30pm-4:30pm EST on alternate evenings. The aerial is 1.5 KW. QRA is T.J. Monaghan Engineer-in-Chief, Dept of Posts & telegraphs, Dublin Ireland. Veries are signed by J.E. Lyons. (Thanks OM for this VFB info) J.E. Garner also sends us the following data. (Station JVD verifies & gives sked for North America daily from 7-7:30am over JZI 9.535 mcs & from 8-8:30pm over JZK 15.160 mcs. Both stations use 50 KW & give news. Music & Lectures in Japanese & English. JZJ may be hrd daily for the Pacific Coast from 12:30am-1:30am EST using 50KW on 11.800 Kc. Reports are requested and the QRA is "The International Telecommunications Co., Ltd. Head office, No. 2 Ote-Mati 2-Tyome, Kojimati-ku, Tokyo, Japan.

(9-Ontario) SOS SOMEONE (Lundberg)

By the looks of the reports this week reception must have picked up. Wonder what Hayy thinks when he sees all this SW data. Bet he has a head ache by now...Hi there it is OM only one more page to do now what have you to say, HMG. Hope the bulletin will pass the Postal Dept. Hi

SHORT WAVE NEWS

--GOSSIP OF THE MEMBERS--

Nick Woyton hrd 34 countries during the Ham contest. He has new reports out to Nicaragua, Colombia, Netherlands, Mexico, Portugal, Cuba & Guatemala for the contest. Better watch this guy. Hi.

Mel Oliver says DX has been so rotten that he hasn't a thing to report. He says his SW reception is ruined by some kind of power line leakage or something. We hope this condition soon clears it self up so that Mel get some real DX again.

Bob Blanchard is corresponding with the other NRC SW DXers & this is a sure sign of real friendship among our members. Bob might change his mind & instead of moving to New Jersey might go to Maine which is the state where his folks came from. Bob also reports DX as being lousy.

Many thanks to you other fellows for your fine cards and letters and extra VTB reports. Be seeing you the 24th. Be sure and have your reports in to me ny the 15th...

TUNE FOR SWITZERLAND

Whenever possible between the hours from 3-4:30am EST when reception conditions are ideal, we are able to tune in the 100 watt of the Swiss Federal Telephone Communication Company at Berne Switzerland on a frequency of 9.530 meg. The program hrd is known as "The A B C of German. For the benefit of listeners the station has compiled a test book which is mailed anywhere upon request. The Berne Station expects to increase its power in the near future but at present they are hrd from 6:45-7:15pm on 15.300 megs & from 8-9pm on 11.860 megs, 1-2pm & 2:30-4:00am on 9.530 megs. (Thus info was supplied for us from our good friend Carl Forestieri of New York.

NOW IS THE TIME TO TUNE FOR AUSTRALIA

Right now the VK's are reliable on the 31 meter band & static is nil during the early hours of the morning. VK3ME has been breaking thru at this early hour with a readable signal but is much better after an hour of operation. Asiatic stations seem to have a hectic time of it. They are good today and barely audible tomorrow. Only one Asian is hrd consistently and that is VUD2 9.590 megs from 9:30-11:00pm and from 8-10am EST. This station can always be tuned in. (Carl Forestieri)

On April 1st the Broadcasting Corporation of Japan will start to broadcast from their new broadcast house which cost 4 Million Yen. It boasts every modern scientific apparatus & is located in the centre of the Japanese metropolis. In the very near future the Corporation is planning to extend the present transmissions & details will be announced in the next program bulletin. Their transmitter will remain at Nazaki Ibaraki Prefecture, Japan. The Broadcasting House is located at # 2-Chrome Uchisaiwaicho, Kojimachi-Ku, Tokyo but all communications should still be sent to Overseas section. The Broadcasting Corporation of Japan, Tokyo Japan. Trans. # 1-For Europe: JLG3 11.705, JLT2 9.645 from 2:30-4:30pm EST. Trans. # 2 for South American Countries-JZJ 11.800 & JZL 17.785 megs from 4:30-5:30pm EST... Trans. #3 For Eastern districts of North America-JZJ 17.785 megs from 8-8:30pm EST... Trans. # 4-For Pacific Coast of North America, Canada, Hawaii.-JZK 15.160 megs from 12:30-1:30am. Trans. # 5 For Eastern Districts of North America-JZK 15.160 megs from 7-7:30am EST... Trans. # 6 For China & The South Seas, JZK 15.160 & JZJ 11.800 from 8-9:30am EST... This VTB info was supplied to us by our good friend Fred Alfred of Toronto Ontario & Leo Herz of Chicago Ill.

SHORT WAVE NEWS

(Cont from last page) Nick Woytan W5AOH & W2KVR.

--SON VERSUS THE OLD MAN--

Remington, Alfred who was assigned a NOLPO number this week really is giving the alma Pater a real running in this DX game. He says his DX last week was W5FPZ VE4AD W3HLS W5EIZ G2MI F8NT VP3CO VE3HI F8AQ W2CFB F8DJ W9DMF which were all on 20 meters. On the SW-BCB he had 2R06 2R04 2R03 & LRX. (Not bad for a beginner cy what fellows. Keep up the the fine work Remington OM Larry)

Best receiving conditions now found on the 16 and 19 Mt band. Have you fellows been taking advantage of the good conditions now existing in the 16 and 19 meter bands during the day light hours. You will be surprised to note the clarity and volume with which the signals operating on this portion of the radio spectrum will be received. Try these bands now. (Larry)

--RATINGS OF OUR MEMBERS--

David Thomas-VIC 113, VAC 28, Veries 846: Fred Alfred-64, 10, 371.
Leo Herz-71, 3, 526: Mel Oliver-52, 5, 153: C. Forestieri-44, 3, 203.
Eldon Addy-39, 3, 82: L. Lundberg-35, 1, 114: Cliff Tavener-26, ??, ??:
Bob Hoynes-13, 1, 21: Cy Will-37, 0, 89: Bob Blanchard-22, 0, 38:

The above ratings signify just how many times our members have verified all continents. The number of countries they have verified & the number of veries they have on the SW band including both Ham & SWBCB stations. Send in your ratings with your next report.

--WATCH FOR WUMS--

WUMS at Proctorville, Ohio is having a Xtal ground for 6.996 megs & will be testing on that freq for a few days with dates and time unknown. All correct reports verified free & a copy of the Radio Listener will be sent to all those reporting correctly. (David Thomas-Proctorville Ohio)

--LETTER FROM MOSCOW--

Dear Mr. Thomas:

Thank you for your letter of Jan. 8th. We are indeed glad to hear from you again and are very sorry that we cannot verify your report. Altho we do not want to appear ungracious to our listeners, we at the same time insist that they understand the programme they are reporting. You see there are so many stations broadcasting in the short Wave Bands, in so many different languages, and on such close freq that we had to adopt this policy in order to avoid verifying programmes that were not ours.

We hope you understand this & we assure you that we will be pleased to verify future reports, providing they are reported in the language of the transmission. Our English Sked on 174 meters is as follows: ect ext.. (This above verifies the statement your Editor made a few weeks ago & so please take notice members/Thanks to David for this interesting bit of news.)

--THE VOICE OF THE ASSNT SW EDITOR--

I wish to take this opportunity to thank the members and officers of the NRC for their congratulations on the occasion of the first anniversary of my Assnt SW Editorship. I also want to thank all my friends & boosters that made my election to the BOD possible. I will do everything in my power to merit their confidence in me. I also at this time want to pay a tribute to my associate Larry Lundberg & to the Officers & members of the NRC who in their whole hearted co-operation made the club what it is today. Will all you please note that after MAY 1ST my new QRA: -723 California Terrace, Chicago Illinois..

--VERIES FROM SBP 11.705 MEGS AT MOTALA--

Dear Sir:

We are in receipt of your letter (report) of the 1st Feb 1939, concerning reception of the Swedish Short-Wave Broadcast transmissions----

(Cont from last page) and beg to thank you for the information furnished. Verification cards are not used by our stations.

The above was received by your Editor. Can it be counted as a verie. CFRX 6.070 megs at Toronto Ont verified with a view card showing Ontario Parliament building..W4XB also verified with a view card of Miami Florida.(Editor)

--U.H.F. DXing--

W2XBS New York City on 49.990 megs rebroadcasts the NBC programs & hrd with R9/Q5 signals.(18-N.Y.)

W2XJI New York City, 26.300 megs relays the Mutual System with R9/Q5 signals & broadcasts DX club reports On Saturdays at 5pm EST (18-N.Y.) At my location I always hear W4XB W3XIR WLXOJ W2XPW and W8XWJ on the UHF band.I was wondering if the NRC members are interested in these catches(18-N.Y.) You bet we are John OM and send all this fine info you can.(Larry) Note:-18.N.Y. is John DeRosa-Brooklyn NY....

--QUESTIONS & ANSWERS DEPARTMENT--

Mel Oliver says the station he reported recently as XEWQ may be XEQQ but the announcements sound like "Double Q" inasmuch as XEW use's XEWW on Short wave,XEQ may use XEQQ.Maybe some of the members know definetly (I beleive the station is XEWQ Mel OM as most reporters report it as such.(Editors)Who is the station in 14.450 megs that I hrd at 3:55pm with R7/Q4 signal & very bad modulation.(Fred Alfred) There is a station at Malaga Spain on 14.440 megs and HCLJB at Quito,Ecuador is on 14.420 megs but usally are not on the air at the time you stated Fred but maybe some of the members can help you out.

SOS:-Does anyone know the QRA of PY4EJ.? Cliff Tavener would sure appreciate this information.

Nick Woytan reports hearing a station on 11.720 megs around 7pm with R8 plus signals and announcing Paraguay.Is this ZP14? (Yessir Nick OM this is ZP14 at Villa Rica Paraguay.Larry)

Fred Alfred reports a Costa Rican Station on 9.720 megs with calls that sound like TIPG.They give the call while playing music with lady & man announcers.They are hrd best around 10pm.(There is much debate about this station.Sometimes the call sounds like TIPG and then again like TIPGW.Some DXers think that TI4NRH may be relaying TIPG.Can anyone help us out.Editor)

Who & what expedition in on 10.200 megs working both Canada & the USA with R9/Q5 signals from 9:30-10:15 am EST.They were talking to NY & expected the breakup to be soon & that they were snow bound & ice bound for several months.They stated they were now using last tubes & had none to spare.They are going to try an evening schedule on 5.795 megs this week.Also developed an oil leak in No.2 Generator.They are somewhere in the Polar regions. Can anyone advise me the QRA,Call & other information.(David Thomas)

What station is hrd next to 2R06 on 15.300 megs.Station is on about 15.310 megs & hrd from 12:20-1:00pm with odd music & talk."reat deal of bells & chimes & announcer calling "Hello London"Also what station on 14.156 megs hrd 4/5/39 at 7:45pm with Spanish signing Soprana accompanied by string orchestra followed by Tenor & then English announcements. Station faded out & then came back with an American Swing number & then faded out entirely.What was the Hawaiiin station relaying NBC catholic on 13.700 on 4/2/39 which faded badly & entirely out at station break at 6:30pm.(John DeRosa) (cont next page)

SHORT WAVE NEWS

(Cont from last page) The station on 14.150 megs may be HCLFG in Ecuador who is now being hrd on about 14.000 megs QRMing EA9AH and the station on 13.700 megs may be either KKZ or KKC at Bolinas Calif who relays programs to & from Hawaii. (Larry)

---NEWS FROM HERE-THERE & EVERYWHERE---

It is reported that the Mutual broadcasting system of NY has made arrangements to Broadcast twice weekly concerts relaying from the French transatlantic liner Normandie (FNSK) during their forthcoming cruise to South American Ports. These transmissions would be made thru WOR at Newark N.J. & probably also thru W2XJI on 26.380 megs & another SW transmitter on a higher freq. (# 1-England)

Mr. Wahlin of SM5YU of Sweden is spending 6 months in this country before resuming his trip around the world. SM5YV informed us that no amateurs in Germany or the U.S.S.R. are permitted phone stations & will not contact a station using phone. One enterprising Soviet Amateur tried phone on one transmission but was never hrd again. Letters sent to his home came back marked "Not Here" (# 1-England)

Altho OIE Lathti Finland on 15.190 megs is suppose to be on the air from 1:30-4am & LKV 15.170 megs at Norway is suppose to be on from 6:30-10:00 am neither station has been hrd the past week on the East Coast. (6-N.Y.)

---SW CONTEST OF THE NRC---

We welcome Nick Woytan, E.H. Manning, Bob Blanchard, and Mel Oliver as new comers in our SW contest. Sure glad to hear you fellows have entered & I hope every SW fan enters the contest even if he only received 1 verie for 1939. Many thanks to you fellows for your support. Cliff Tavener says he is going to enter the contest & by the way John DeRosa has been DXing I think he will be entering very shortly so there will be plenty of competition fellows. Lets all join in on the fun.

---RULES OF THE CONTEST---

- (1) Contest to last for 1 year & only veries dated for reception from Midnight Jan 1, 1939 to Midnight Jan 1 1940 will be counted.
- (2) Prizes will not be awarded till June 1940 so to give ample time for all veries to be received by the members.
- (3) Only Phone veries will be counted (No CW Veries) All phone stations in the SW bands from 1550 kc & up will count. This will include Police, Hams, Phones, Aircraft and SW-BCB stations.
- (4) The National Radio Club keeps in its fold only those DXers that are worthy of being called honest & therefore no veries will have to be sent in to your Editor for checking unless it is requested by the Majority of the contestants. Otherwise we will take your word.
- (5) Your Editor will take care of the reports & awarding of the prizes and the Assnt SW Editor will lend his assistance. The board will act as judge in case of any disputes. Otherwise the SW Editors results will be called final. (Remaining rules will be continued next week)

---Standing so far to date---

Next Bulletin comes to you June 12 so have your Short Wave Reports into your Editors hands not later than June 3rd.

--CLIFF TAVENER SAYS--

"Many, many thanks for the warm welcome into the NRC circle & I have a faint feeling that I am really going to like the club I am deeply honored upon being appointed NOLPO # 22 and shall try to be worthy of the honor." (We are very glad to have you with us Cliff and for the rest of you members, Cliff has one VFB SWL card & Photo that all you guys should have. Why not exchange with him now.

--RULES OF THE SW CONTEST CONTINUED--

- (6) Grand Prize will be awarded to the DXer verifying the most countries over the year.
- (7) 2nd prize will be awarded to the DXer receiving the most veries during the year.
- (8) 3rd prize will be awarded the DXer coming in 2nd on the VIC Ratings
- (9) 4th prize will be awarded to the DXer coming in 2nd on the Verie Con.
- (10) We reserve the right to amend any of these rules at any time it may be deemed advisable to do so, this will first be placed before the Board for Amendment.
- (11) In case of Ties a prize identical with that tied will be Awarded to each tying contestant.
- (12) Prizes for the contest will be announced as soon as possible. We already have some fine prizes to offer but are waiting for a while till everything gets in shape. We will however tell you that everyone will be more than proud to have these prizes in their DX dens. ENTER THE CONTEST NOW.

REPORTERS OF THE WEEK

- NOLPO # 6 Carl Forestieri-2224 Adams Place, Bronx N.Y.
 "" # 7 Merton Hiatt, Box 7, Dryden, Washington
 "" # 9 Fred Alfred, 748 Little Grey St., London Ontario
 "" # 10 Nick Woytan, 309 S. Wilbur Ave., Syracuse N.Y.
 "" # 16 M.H. Oliver, 804 National Standard Bldg, Houston Texas
 "" # 17 Bob Blanchard, 206 Prospect Park West, Brooklyn N.Y.
 "" # 18 John H. DeRosa, 661 Ovington Ave., Brooklyn N.Y.
 "" # 19 Remington Alfred, 748 Little Grey St., London Ontario
 "" # 21 J.E. Gardner, 706 Williamson Bldg., Cleveland Ohio
 "" # 22 Cliff Tavener, Rosenberg Texas
 "" # 24 Jack Siringer, 1451 Lincoln Ave., Lakewood Ohio
 Leo Herz, 723 California Terrace, Chicago Illinois

We take pleasure this week in assigning Jack Siringer, 1451 Lincoln Ave., Lakewood Ohio as NOLPO # 24 of the NRC SW pages. Sure glad to have you with us Jack OM & we hope to hear from you often.

--REMINGTON ALFRED SAYS--

I heard OYR at 8:30 pm EST giving his location as the Faeroes Islands & calling a VE4 station. Can anyone help me out as to where to send reports to this station. Some of the DX I have hrd on 20 meters lately are K6KGA W4EWY W5BEW W8CKY VE1ID W5ZS G6WT G5IQ G5RL W4EDE VE4ZIT VE3HC W9DOQ YVLAG W9JNY W5FDO VE3ADC VE3DQ W9ZKD VE1XR VE2IY W9RKW CO2TG G2XB VE3SM W9ZOM W1ENU W8GOM W6AIA W9FFB W5EES VK3NET VE4AFN W9CQQ VE3HJ W5DEW W2-FPB W4RCF W5FAZ VE5KP W5AHU W8FH. (Looks like Rem is really DXing these days Hi. Rem is 15 yrs old & goes to Chesley Ave. School & is in the 7th Grade. Looks to me like he is going to be a real DXer.)

VERIES DEPARTMENT

J.E.Gardner-Radio Guadeloupe-JLG3, Fred Alfred-PZH JZK JZJ JVT JVS ZHP W6XBE TAP VUB2 Radio Guadeloupe..Mel Oliver TGWB HBO DJM LULDA HVJ NY1AA K5AF..Leo Herz-GW6JW ON4PA G5BDX CT1PK..Cliff Tavener PY2LM CX2CO W5UM W5AEA W2IXY..John H.DeRosa-VP3CO..Nick Woytan-CT1PK HK3CC PSH..Bob Blanchard-W4XB..L.Lundberg-SP25 XETW HPLA CFVP WWV G8JQ VP1WB LULDA VP6YB JZL JZK and W8OUT..

Mel Oliver received a verie from HVJ sort of putting a cramp on the statement we made sometime ago saying that HVJ no longer verifies. We sure hope we were wrong as Mels card is definetly a verie. Evidently Radio Guadeloupe is now verifying as several members now boast of veries from this station. W6XBE is now sending out their verie cards, TAP & VUB2 verified for Fred Alfred so your Editor is not giving up hope on receiving his veries as yet. On the BCB I sent in a report to KHBC in 1937 and just received the verie the other day so fellows never give up hope on those unverified reports. Imagine a guy waiting 2 years for a verie.

--SPECIAL DX FROM RADIO GUADELOUPE--

J.E.Gardner informs us that Radio Guadeloupe will soon broadcast a special DX program for the NRC, IDA and the Cleveland Radio Club. WATCH FOR THIS DX PROGRAM.

--BOB BLANCHARD SAYS--

I am going to get a special album for my DX friends of the NRC & put their photo's in it along with a description of each DXers listening post, and also tell how many QSL's each has received ect..

--HUNGARY STARTS TESTS--

The Royal Hungarian Post SW broadcasting stations are now testing with two 200 watt transmitters using the call HAAQ2. The purpose of these tests are to measure beams and directional antennas. Records will be played, with call letters announced in English, Spanish and Hungarian. Between each transmission period a 10 minute pause is given in order to switch antenna's. The time & freq are 21.680 megs from 9am-1:30pm, 11.850 megs from 1:30-4:30pm, 9.620 from 4:30-9:00pm and on 7.210 megs from 9pm-Midnite EST. The first tests will cover the period from April 24th-May 13th. Reports should be addressed to "Radio Labor, Budapest. IX, Gyali-ut 22, Hungary." Amatuer station HALK will operate on 7-14 and 28 megs & will try & contact any amatuer who will reply immediately with remarks & comments concerning the transmission radiated by HAAQ2. (Carl Forestieri)

J.E.Gardner Says

I am 69 years young and have been DXing for 2 1/2 years. I use a 18 tube Midwest & a Hallicrafter Super Sky Rider SX17 for my DXing. I have a rating of VAC6 & VIC 66 with well over 300 veries. Reception lately has been bad. (Northern Lights) It has improved a little lately but I am too lazy to fish for the stations. (Oh Hum! Getting spring fever ey Jack. Editor)

--DID YOU KNOW THAT--

Bob Blanchard, his father & Carl Forestieri dropped in for a visit at John DeRosa's shack. From what I hear they had quite a rag chew but at the same time sipped on some nice cold re wine and had home made cake & steaming coffee to top off the evening. Lucky fellows ey what. John says that Bob is some cake eater & ate so much he fell asleep while Carl dialled the BCB of John's Howard 450A receiver. All in all the fellows had a swell time & I wish that more NRC members could get together for a DX chat at some time as it sure is real fun.

--DX PROGRAMS--

TGW TGWA TGWB & TGWC will broadcast special DX concerts throughout the summer on the first & 3rd Saturdays of each month from 1-1:30am EST with announcements in both Spanish & English. Correct reports will be verified without charge by a color verification card. The concert of Aug 5th will be dedicated to the ILA. (# 7-Washington)

QUESTIONS & ANSWERS DEPARTMENT

Cliff Tavener-Do USA Ham veries count in the SW Contest.(You bet they do Cliff OM.) What is the QRA of VK9XX (Can anyone help Cliff out on this question.Editor)..Merton Hiatt-This TGWC & TGWB business has me all mixed up.Thier latest programs lists TGWC as 46.2 m which figures out just about 6.495 megs but a letter from the director of the station,dated March 24th gives TGWB as 6.490 & TGWC as 2320 kc.,Also on the programs TGWB is listed as being in the 49 meter band.Hi..Mel Oliver announced a station being on that freq but QRN blotted out the call.

--STANDINGS IN THE SHORT WAVE CONTEST--

We welcome John H.DeRosa as a contestant in our SW contest & listen to what John has to say."I see by the latest bulletin that my pal Cliff Tavener, who honored me by joining the NRC, has joined the SW contest. Well if that bow-legged cactus-chewing,two gun totang,and banana-split eating Texas Ranger can enter the contest,who am I not to take up his challenge and show what a city-slicker can do so I here-by enter my name as a new addition to the contest.(Hi-Hi.Looks liketheres a little rivalry afoot ey what.Wonder which one of these chaps will walk off with the prize,By the way John,Cliff says he is going to give us all some very stiff competition so watch out for this Texas Ranger.Hi.)

Member	VIC	VERIES--RATING OF OUR MEMBERS
Leo Herz	20	Larry Lundberg 30 David Thomas-VAC 38, Vic 113,veries
Cliff Tavener	15	Leo Herz 29 846..Fred Alfred 10,69,381,.Leo Herz
Larry Lundberg	15	John DeRosa 24 9,71,531..J.E.Gardner-6,69,302..
John DeRosa	10	Cliff Tavener 21 Mel Oliver-5,54,161..C.Forestieri
Mel Oliver	9	Mel Oliver 21 3,44,202..Eldon Addy-3,39,82..L.
Cy Will	7	Cy Will 7 Lundberg-3,37,125..Cliff Tavener
Nick Woytan	5	Nick Woytan 6 2,26,56..Bob Hoynes-1,13,21..
Bob Blanchard	2	Bob Blanchard 2 Cy Will-0,37,89..Bob Blanchard-0,
E.H.Manning	1	E.H.Manning 1 22,39..John DeRosa-0,25,55...

The contest is getting hot.The boys are getting right after OM Herz in the VIC ratings & in the verie contest it looks like the standing may change each bulletin.Keep up the fine work gang & it looks like this contest really is going to be an interesting one.Some of the fellows are neck & neck.Who will be leading next issue.

--ATTENTION MEMBERS--

If you ever have a desire to have a swell W9-SWL or W7-SWL ect for your listening station,send 1.00 to E.Bailey,West Newton Pa.,He makes 2 1/4 siz alu,inum call letters mounted on a forest Green panel & they sure look swell on the receiver.He can make all district calls and can also make calls for license plates for autos.Both types can be obtain for \$1.50(This info was sent in to us by Bob Blanchard)

--EDITORS CHATTER--

Every member reported BX as being terrible the last week.We hope this situation clears up soon.However we seem to have plenty of news for the old bulletin & to tell you the truth I do not now how we can get it all in.(How about it Harry.Hi.)(Well Larry we will try to make it if possible.HMG.)

--NOLPO REPORTS OF THE WEEK--

--LAST MINUTE FLASH--

A special DX program is being arranged for some Saturday between 4-5pm EST from Ankara Radio Stations to be dedicated to the Cleveland Radio Club, The IDA & the National Radio Club.This tip comes to us from Mr. Gardner of Cleveland Ohio.Complete details will be given later.

--HERE'S A NEW HOBBY FOR YOU--

Your Editor has taken up a new hobby,that od crossing Carrier pigeons with wood-peckers.They not only deliver the message for you but also knock on the door.Hi de Hi.

--NOTICE NRC MEMBER--

I took a photo the other night of a YL of 11 years old and I am endeavoring to get her interested in deveral hobbies. She is a swell looking gal & the pictures turned out swell. She will sxchange photos & postal card views with anyone 100%.She is also a stamp collector.I think it is a fine thing for others to help the young folks interested in some sort of a hobby & I would appreciate it a lot if the NRC members would give her a lift.If you guys have any odd stamps you do not want please send them to her.She may have some on hand that you want.Just ask her. I want to thank some of the NRC members who already have sent this young lady some postal views cards, stamps & who already have swapped photos with her.Sure swell of you all.(Larry Lundberg) Larry forget to give the QRA of this young lady, so if you have any stamps ect,send them to Larry,or write Larry where to send them.HMG)

EDITORS NOTE:-I had to leave out about a page of Skedules of the France stations, the German Stations and a swell write up onj the Guatemala stations, so after the bulletin is layed up and I have room I will include this page so check other parts of the bulletin,for this news.

Next bulletin comes to you July 11. Please have your SW reports in to your Editors hands no later than July 4.

REPORTERS FOR THIS ISSUE

- NOLPO # 6 Carl Forestieri-2224 Adams Place, Bronx N.Y.
 NOLPO # 9 Fred Alfred-748 Little Grey St., London Ontario
 NOLPO # 10 Nick Woytan-309 S. Wilbur Ave., Syracuse N.Y.
 NOLPO # 16 M.W. Oliver-804 National Standard Bldg., Houston Texas
 NOLPO # 17 Bob Blanchard-206 Prospect Park West., Brooklyn N.Y.
 NOLPO # 18 John H. DeRosa-661 Ovington Ave., Brooklyn N.Y.
 NOLPO # 19 Remington Alfred-743 Little Grey St., London Ontario
 NOLPO # 21 J.E. Gardner-706 Williamson Bldg., Cleveland Ohio
 NOLPO # 22 Cliff Tavenner-Rosenberg Texas

NOLPO # 26 Joe Brauner-17 East Spring St., Williamsville N.Y.

We take great pleasure in giving honorary NOLPO assignment to Carlo Spatari, 27-20--25th Ave., Astoria N.Y. who was the originator of the famous & up & coming Spatari Language. Carlo will be known in the NRC SW pages as NOLPO # 25. Carlo has done a lot to help the Radio hobby fans of the world and we are proud to have him amongst the members of the NRC.

Good ole Joe Brauner is a new reporter whom we have assigned as NOLPO # 27. We hope Joe will take this assignment & that we will hear from him when ever he has the time & some DX to report. Glad to have you with us Joe OT & lets hear from you often.

To the rest pf you guys their is no need of me to thank you as you all have been so loyal & faithful and words cannot express my gratitude to you all.

--SPECIAL ANNOUNCEMENT--

There comes a time in everyone's life, when a person is placed between the devil and the deep blue sea, and where one must make a choice either one way or the other. Such a predicament is now being suffered by your Editor and this announcement is hard for me to make..

As most of you know the place I worked for ceased operation and all employees were thrown out of work. This indeed was a hard blow for yours truly. However 3 weeks ago A new job was given to me & this was a very good stroke of good luck. However I am now forced to make a decision. I have very little spare time for my radio DXing & work now. This means either quitting DXing and corrying with my radio friends, but keep my other Radio activities up or to keep on DXing, what little time I have, and also try & keep the fine friends I have made by keeping in touch with them once in a while but quitting the other Radio activities I am in.

My decision is this. I am resigning as the SW Editor of the NRC & JSWL and also as Editor of the WWHC of the ILA. This is indeed a hard thing for me to do but it is the only way out of the predicament for me.

We do not know who the new SW Editor of the NRC will be but keep your reports coming to me and as soon as the new Editor is named I will forward all material to him. However regardless who the Editor is I will remain as the SW CONTEST Editor and also the rating of the members so please keep me informed of the new veries received for the contest and also your latest ratings.

June 15 1939

It has been swell working with all you fine members and my only hope is that you will sponsor & help the new SW Editor out as much as you have helped me. Maybe someday I will be back with you all but in the mean time lets keep the NRC the friendly club it has always been & sponsor the new Editor and help him as much as possible.

I want to thank Leo Herz for the fine help he has given me during my stay as SW Editor. A finer and better pal could not have been found anywhere..

DONT FORGET. I am still taking care of the SW Contest. I will find time for that regardless if I never get anything else done. Thanks a Million to you all. A finer bunch of loyal supportes would not be found anywhere.

--VERIES DEPARTMENT--

Mel Oliver-VP3CO, VPIWB, ZL2BE..J.E.Gardner XPSA, IQA..Jack Sireinger LYIJ, CT2AB..Leo Herz TGWB, ON4PA, GW6JW, G5BD, CT1PK, PK4KS, JZI HK3CG, G6BX, G3IK..Nick Woytan YN1IP, K6OJI, Radio Martinique..Cliff Tavener W7HDS, ZS4L, YN1IP..Bob Blanchard Radio Martinique...Cy Will EK1AF VK4KS YN1IP...John H.DeRosa RV96 VE4WJ K6MXM...Fred Alfred Radio Eirian PK4KS CB960...L.Lundberg VE5KP ZNS VE3AAS CE2BX W8ACY LRA-1 XEUV HP5K..

Just take a look at some of the swell veries some of the embers have been receiving. Wish I had some of them. NICK Woytan spends all his spare time gazing at the verie from K6OJI and says it is VFB. Many of the other members already have sent their reports to this fine station. Send 10 cents along with your report.

--SW CONTEST STANDING--

MEMBER	VIC	MEMBER	VERIES
Leo Herz	22	L.Lundberg	38
Cliff Tavener	16	Leo Herz	34
L.Lundberg	16	John H.DeRosa	28

As soon as I get a few things straighten up I will make up the list of prizes and will announce them as soon as possible. Look who is on top on the verie contest. Ahem! DeRosa & Tavener have a little rivalry all worked up and they are having a tough time trying to get ahead of one another Hi.

QUESTIONS AND ANSWER DEPARTMENT

Nick Woytan has been hearing a mystery at 7am on 9.500 megs but sigs are too wavy for identification. We beleive his station is either KZIB on 9.490 megs or possibly HS8PJ on 9.510 megs. What Oriental Station came on the air at 3:12 pm EST on May 1st on 15.170 megs with a R8/Q4 signal.? Fred Alfred.SOS someone?...I would like to thank all you membets for helping each other out in answering some of the questions in the minds of the members. That shows real cooperation & a fine spirit of friendship existing between the members.

--NOTE FROM HEADQUARTERS--

Watch for "YNDG" on 7.660 kcs., Leon Nicaragua Central America.. Schedule: Week days: from 7:30 to 8:30 pm CST or 8:30 to 9:30 pm EST D.E.Gallo is the Owners and Operator...All reports will be answered if you send 10 cents in coin as IRC are not excepted in Nicaragua... Also every Saturday nite YN3DG 13.900 kc., dedicates to all his friends in the U.S.A. at 9:00pm CST or 10:00 pm EST...Watch for this station....

W1XAR 11.740 hrd R7/Q5 from 8-9pm (Herz-Illinois)

---GOSSIP OF THE MEMBERS---

Joe Brauner says DX on the SW bands have been terrible with nothing unusual doing.

Jack Siringer has a VFB SWL card fellows. Jack says he has no luck in increasing his VIC ratings. Oh Yeh. Take a look at his ratings fellows & use your own judgment Hi.

Mel Oliver says he has made a nice worrie of our new member Cliff Tavener of Rosenberg, Texas who lives only 25 miles away & Mel is planning on visiting him sometime. VFB we call it.

Nick Woytan spent 2 weeks in New York City & says he still prefers good ole Syracuse (Home Sweet Home ey what Nick OM)

Cliff Tavener says "Well well well. It looks like my entrance into the SW contest has been made very conspicuous by the rash challenge of my friend "Peepuls Choice" DeRosa..Hi. Hi.

J.E. Gardner must be DXing 24 hours out of the day from the looks of the VFB reports he has been sending in. Keep up the fine work Jack O.T.

Carl Forestieri has been giving his apartment & furniture a good spring cleaning ect and hasnt even had a chance to DX. Hope he gets finished soon as we miss his VFB reports.

Cy Will is moving. He is living at present in an apartment on the 10th floor. Plenty high enough for an antenna but Cy says there is too much noise & so DX for him has not been so good.

Leo Herz sent out plenty of reports last week & one of them was EK1AF which is a VFB catch in any mans town. Better watch this fellow in the SW contest. He really means business.

Bob Blanchard says it is so hot in Brooklyn that he has been keeping a fan going in the back of his receiver whenever he has been DXing. He received a good laugh at some of the articles publish in the last bulletin. I hope you liked them as much as Bob did.

John DeRosa is getting another new member for us. Good old John he has been a hard worker for the NRC and a sweller fellow could not be found anywhere. Have you seen the VFB picture yet of Johns DX room supreme

If not you had better write to him for one of those VFB Photo's of his.

Remington Alfred reports hearing SPW TGWA IRF 2R04 2R03 VLR W6XBE, 9.530 On the SWBCB and on 20 meters VB3GC W1DAF W3DZZ W3ZIE W9QMK W8KBJ W8MNL W9EI W4BIG W9FTF W8KZS W9GTR W9GIQ W1DAFYV5RF W9GFQ W4DWA VEADP W9DFM W3MGM W1DXF W2JKQ W9ZOM W9THO W3OUF W3ZDW W4GU W3ADC W9IEM W8QBM (Rem really going to turn out to be a fine DXer from the looks of things & Rem OM a finer and better Hobbie could not be found than DXing. Keep up the fine work.

Fred Alfred received a QSL card from CB-960 after sending them 5 reports. Fred also got a pre-selector for his receiver last week and it works swell. Fred sent us a whale of a VFB report this issue and many thanks Fred OM.

"AROUND THE WORLD WITH THE NRC"

Your next bulletin comes to you August 9th. Please have your S.W. reports in to your Editors by August 1st..Thanks:::

A WORD FROM THE EDITOR

Greetings:YL'S,XYL'S & OM'S.Having just been appointed Short Wave Editor of the finest DX Club there is, and having the finest and Friendliest lot of DXers I have ever seen. It makes me feel proud, to receive such an appointment. We will feel very sorry at losing Larry Lundberg as Short Wave Editor and I hope with the able assistance of Leo Herz our Asst Short Wave Editor and all members of the club, to turn out a bulletin in the future as good as you have had in the past. In closing I would like to say that all reports be they big or small are always more than welcome here..Fred W. Alfred

The Voice of the Asst Short Wave Editor

Greetings my friends, in this the first Short Wave column edited by our new short wave Editor Fred Alfred, I sincerely believe Fred is a worthy successor to Larry Lundberg, as I know Fred's column in the UDXC where swell and I am sure if we all put our shoulders to the wheel we can do much in helping Fred, I was very sorry to see Larry resign and as asst short wave editor, I pledge my wholehearted co-operation and hope all short wave DXers of the NRC will continue to send in their swell reports and I hope I will see many of the Boys at the Erie Convention in September. Yours for a bigger and better NRC .Leo Herz, Asst Short Wave Editor

On Tuesdays,Wednesdays and Fridays from 5:45 A.M. to 5:30 P.M. and from midnight to 2 A.M..The Saturday period extends from 5:45 A.M. to midnight(#16).Plans are under way for a new transmitter at W8XAL which will make it the second most powerful short wave outlet in the U.S.A. (#6)
- 6.475kc/s-WMI-Lorraine Ohio,hrd at 10:30 P.M. giving weather reports to ships in the great lakes(they QSL) (Alfred)

SHORT WAVE NEWS

9.530kc/s-W6XBE-Treasure Island Calif, hrd at 10 A.M. signal R-6 Q-4:
Have increased their time on the air schedule now 7 A.M.
to noon from announcement (Alfred)

14.920kc/s-Kahuku, Hawaii, heard at 8 P.M. signals R-8 Q-5 (#17)
????QUESTION_BOX????

2.900kc/s Who is the Latin American on this freq heard in the evenings
around 9.45 P.M. (Alfred)

4.050kc/s-Who is the Latin American on this freq, hrd at 10 P.M. sound
like a Ecuador station (Alfred)

12.700kc/s-Another Latin American hrd on this freq irregular around
5:40 P.M. there is also another Latin American hrd on 17.890. This might
be a harmonic (Alfred)

Leo Herz wants to know if PCJ QSL's, Yes Leo OM with a brand new card
which is black and yellow (Alfred)

15.130kc/s-A station signed off on this freq and gave the slogan "Radio
Central." Who was it (Alfred) signed off at 4:28 P.M. 7-2-39

11.860kc/s What was the rest of the call of the station that was calling
Berlin at 5:12 P.M. had a 5 note signal repeated over and over the first
three letters was CR7 (Alfred) Heard 7/2/39....

FLASH!! FLASH!! BARBADOS CALLING:--

Yes that is what you will probably hear in the near future. The Barbados
Government have taken steps to consider the erection of a Broadcasting
station for local programs and news, as well as rebroadcast news ect,
from England, the USA, Canada and other West Indies stations. The project
will cost \$52,800.00 and the yearly up keep will be about \$11,520.00
This cost includes several hundred one and two tube sets to be sold
to the colored natives at a cost laid down in the Barbados and on a hire
purchase system. The idea is receiving a tremendous amount of opposition
from radio distributors....

This fine bit of information comes from the ace DX-
er of the Barbados Sydney G. Lashley, who also says that ZIZ 6.384kc/s
is on the air daily from 5:15 to 6 P.M. and are anxious for reports,
which should be address to:-Short Wave Station ZIZ, Caribbean Broadcast-
ing Service, St. Kitts British West Indies:

FG8AH-6.400kc/s Radio Guadeloupe is on the air each day from 6 to 7 A.M.
and again from 6 to 7 P.M. QRA:- Radio Guadeloupe P.O. Box 125 Pointe-a-
Pitre, Guadeloupe, French West Indies and he says the latest catches on
20 meters are SULJM PK6XX VP5PZ SM7UC VP1BA HL7G PA0EO G2AV PNY2AE HH5PA
XE1CQ F8LX VP2AD C02JJ GW3HI G4AX VP7NS GM3DD VB9ET PK7AL VP6FO or W2LXH
VP6TR is on the air every evening working CW with WLKTG at 5:30 P.M.
VP6YB on Sundays 6 to 7 A.M. working W5FMO these are also on 20 meters.
VP6PC is anew one on 40 meters. The Police sept in Barbados have install-
ed Radios in their police cars, and use 250 watts, they are of English
Manufactured.. Well Syd OM, thats a fine report and come in again real
soon (Ed)

Remington Alfred reports the following DX on 20 meters:-W3HW W5DQ HC1WY
YN2B VP7NS W5AZA W5DEK W3FII W5EGW WLKKB W5KBB W6OFY W4FI W4FB YV4NI
W2LY K4ENT W6NY W8QDR W9UMY W2AWR W6UMY W2LYN WLKIG W9FG W6DFY W2SA C6-
6AM W9FUC VE4YR W2SN W4DLH W5FNH W1BDS PY2TGC W5ETR W8CDF W9MJN W5GOC

---"AROUND THE WORLD WITH THE NRC"---

"A word from the Editor"Beginning with this issue,we are trying out a new idea.You will find listed a complete schedule of several Countries short wave transmitters.Which we hope will be of some help to all.As these schedules change so very little they shall not be listed again for some time, or untill a change has been noted.This will leave us more room for more up to date data.At this time I would like to assign Larry Lundberg NOLPO # 9 I also want to thank all the boys for their very fine report, they are certainly greatly appreciated.So untill the First of next Months, 73's and good DX.(Note from Headquarters, next month we will issuetwo Bulletins,the first well go out September 5th.,the next one will be on the 19th.,then starting October every week...So have your news into your Editor's not later than August 24, as we might need a little time to get this bulletin out,because of the convention..ENG)

---THE VOICE OF THE ASST SHORT WAVE EDITOR---

I feel that we all should be mighty proud of our new short wave Editor Fred Alfred,he has prove beyond doubt that he has something in the way of dishing the short wave news out.Don't forget Fred depends on all of us and we should send a report every issue if it big or small,So let Fred hear from all of us.So,lets all pull together:Leo Herz..

The Colombian short wave stations are going under a change in call letters..t seems they are dropping the numeral and the second letter from the end of their calls.Will members kindly chech Colombian stations, and let us have any change you notice.Tnx...

--THE QUESTION BOX--

Who is the station in Trujillo City Dom.Rep on 6.115kc/s that sign off at 11:05 PM with an Organ selection of the Indian Love Call (Alfred)

Who is the station on 15.175kc/s that comes on the air at 1 PM and sign off 5 PM QRM's TGWA very bad at times plays music like Hawaiians signal after TGWA sign off is generally R6/Q3-4 (Alfred)

--EDITORS CHATTER FROM HERE AND THERE--

CARL FORESTIER-had a brithday on July 30th Happy birthday Carl OM,Carl says he feels like a yound man of 25..

ROBERT BLANCHARD-has a new receiver which is a Sky Buddy S19 R. works with 50% less noise he says he can hear the VK's now,he also says that the Sky Buddy is a real value in DX and quality..

LARRY LUNDBERG-Says he is going to get himself a new receiver very shortly, and tells us that OZH has a swell QSL card, XGOX QSL's by letter(I wonder that happen to there baby blue vard) The Minnesota DXers held their annaul picnic July 30th and every body had a great time,Larry finally got his QSL from Turkey, Nice going Larry OM.

NICK WOYTAN-Says the weather in Syracuse is very hot to hot to stay in dorrs to DX,by the way Nick is a pretty good golfer, so I guess that is were you will find Nick.

STEVE MANN-of Lakewood Ohio paid OM John DeRosa a visit the other day, Now Steve is a BCB DXer and we are wondering what they talked about Hi. LEO HERZ as Chairman of the IDA misstates Convention Committee, is having a busy time these days....

STANDINGS & RATING'S OF OUR MEMBERS

EDITOR-Larry Lundberg-1020 Lowry Avenue North, Minneapolis Minnesota

We welcome Steve A. Mann 1281 Ramona Ave., Lakewood Ohio as a new reporter of the NRC SW bulletins. Steve has a swell SWL card & how about all you members swapping Steve for his card & give him a friendly welcome into the NRC circle of friends. Fred Alfred shall assign you a NOLPO number as soon as possible Steve. (Attention Fred Alfred)

LEO HERZ has a new SWL card which is a honey showing his NOLPO den Leo is a ardent booster of the NRC and going great guns in our contest.

When the bulletin begins to be published weekly we will run the SW contest every other week. During the other week the BCB contest standing will be published.

--PRIZES FOR THE CONTEST--

Your Editor lost the list of prizes that our good friend Carlo Spatari had offered for the contest. I have contacted Carlo & as soon as I receive word from him & the BOD of the NRC approves of my list of prizes we shall publish this list. Next issue if possible. Your Editor is donating a trophy & Ham Call Book as 2 of the prizes. The trophy will be well worth working for..

A word from the Editor:-Sunday July 30th 1939 the Minnesota DX'ers held a picnic at Como Park in St. Paul, 35 attended the gala event & a swell time was had by all. Several DXers spent the night with yours truly & chatter was floating all over Minneapolis. DX hounds from all over the state came down for the day & it was a real pleasure to meet the gang & talk over different things.....If any NRC member ever has the chance to attend one of the various Radio conventions put on every year I would advise you to do so. One never realizes the fun & knowledge one can acquire at one of these fine get togethers.....

--RADIO SCHEDULES--

---SPECIAL ANNOUNCEMENT---

As was announced to you in previously bulletins, a new extension of Japan's overseas broadcasting. This is the NEW schedule just received from Japan and will go in to effect August 1/39 for call signs and frequencies used see complete schedules below. (Alfred)

Europe- 2:00-4:00 P.M....South American Countries:-4:30-5:30 PM.....

Eastern Districts of North America:-8:00-9:00 P.M. .

Pacific Coast of North America, Canada & Hawaii:-Midnight-1:30 A.M.

China and South Seas:-7:00-9:30 A.M.

The broadcast for the eastern districts of North America for thirty minutes from 10-10:30 A.M. Japan time will be extended to one hour, and will absorb the 9:00 P.M. for the same direction, thus the daily broadcast for the eastern districts of United States will be one hour daily.

Starting at 10 A.M. Japan time the South Seas and China broadcast being carried on for one hour and a half daily from 10:00 P.M. Japan time will be extended to two hours and a half starting at 9:00 P.M. Japan time daily.....

This week I received a very nice letter from one of our members in
 Leon Nicaragua, its from our very good friend Dennis E.Gallo,operator
 of Y-N-3-D-G which operates on 13.900kc/s and also operates YNDG on
 7.660 kc/s...Quote from his letter:-Greeting & Salutations to everyone
 This is Y-N-3-D-G the little short wave station located at Leon Nicar-
 ague.,Central America sending this message to all our good friends and
 fellow-members of the National Radio Club."s you know we are transmitt-
 ing on a frequency of 13.900kc/s every Saturday nite from 10:00pm to
 10:30 pm EST and we have completed arrangements for special broadcast
 which will take place every third Sunday od each month at 1:00 AM EST.
 On November 19th at 1:00am EST we shall be happy to transmit a SPECIAL
 PROGRAM FOR THE NRC , on December 17th at the same hour,there'll be
 another program dedicated to the IDA. We hope you will be pleased to
 hear these prorams we are sending over the air for your own amusment
 and sincerely hope to receive your reports.We also work every nite in
 our commercial programs on 7.660kc/s from 8:30 pm-to-9:30 pm EST.-
 We have been receiving lots of reports from all our friends there and
 we shall be happy to forward to you our verification card as soon as
 your report arrives. Our next special program will take place on Sun-
 day morning at 1:00 AM EST August 20th.next.,so you may he on the look
 out for that program.--Receiving conditions at this end hash't been so
 good,the 10 meter band has been too lousy, it may come in good for half
 hour and then fade out completely, on the 20 meter band, the QRM is so
 bad that there is no pleasure in trying to talk to any one, as its no
 fun with so much interference.We are in the rainy season at the present
 time, and generally we get plenty of electric storms also, making re-
 ceiving conditions very bad for us...(Cont next Page;9)

SHORT WAVE NEWS

(Dennis Gallo's letter cont from Page:8)

It may look funny to you to know that our rainy season starts on May to October, and summer time, from November to April. During summertime receiving conditions is 100% good, that is when you are in the fall and winter time and part of Spring time.

We QSL 100% to everybody, when sending with their reports a "DIME" 10 cents coin, IRC are not good in this country. Without making a mistake, we are proud to say that this Radio Station is "the only one that sends QSL 100%, it doesn't matter if your report is good or bad (as long as you have items to show that you had our stations) we like to hear from you, your comments and suggestions about the kind of programs you like to hear from this station, we are here to serve you and to please.

We will close this message to you, with best of luck, and best of 73's. Hope next time we shall be able to give you more information for your own benefit.....I salute you with 21 guns...Cordially yours., Dennis E. Gallo., "Y-N-3-D-G". "Y-N-D-G" Member of the NRC....(Thanks Dennis for your letter to the members of the NRC, and I know that they will all send in reports to you. We are very proud to have you as a NRC member. Don't forget Dennis broadcast the "Spatari Radio Language" every Saturday night over the 13.900kc/s band..Try for him..HMG)

--NATIONAL ANTHEMS--

Submitted By:-George H. Jacobs, P.O. Box 141-Station V, Cincinnati Ohio....

United States of America.....	"The Stars Spangled Banner"
	Written by Frances Scott Key in 1814 doing the war of 1812. Was accepted as official by congress in 1931.
Canada	"The Maple Leaf Forever"

4.855kc/s	HJCF	Bogota	HJ-3-CAF
4.865kc/s	HJBJ	Santa Marta	HJ-2-ABJ
4.875kc/s	HJFH	Armenia	HJ-6-FAH
4.885kc/s	HJDP	Medellin	HJ-4-DAP
4.895kc/s	HJCH	Bogota	HJ-3-CAH
4.905kc/s	HJAG	Barranquilla	HJ-1-ABG
4.915kc/s	HJFC	Pereira	HJ-6-FAC
4.925kc/s	HJAP	Cartagena	HJ-1-ADP
9.630kc/s	HJCT	Bogota.....Under construction, will be non-commerical, Educational broadcasts only: (Alfred) (Herz)	

As this column is just about finish I am hearing a Columbian on about 9.690kc/s gives the call as HJCD Bogota, signs off at 11:30 with announcements in Spanish and English, Slogan is wither the Voice of South American or the voice of America, signal R9/Q5 (Alfred)

With the 7.200-7.300kc/s band due to open this September for Broadcasting here is a few of the stations that will take the air, on this band:-

7.206kc/s-YNOD	MaNagua Nicaragua	7.260kc/s-OZU	Skamlebak Denmark
7.210kc/s-	Tirana Albania	7.270kc/s-DXM	Zeesen Germany
7.220kc/s-2-RO-11	Rome Italy	7.280kc/s-	Lyndhurst Australia
7.230kc/s-GSW	Daventry England	7.285kc/s-JLG	Toyko Japan
7.240kc/s-DXJ	Zeesen Germany	7.290kc/s-DJI	Zeesen Germany
7.250kc/s	Lyndhurst Australia	7.295kc/s-YDA	Tandjongpriok N.I.
7.257kc/s-JVW	Toyko Japan	7.300kc/s-VIG	Port Moresby Papua

These are also taken from the Berne Official list (Alfred)

"EDITORS CHATTER FROM HERE AND THERE"

In case you members missed OM DeRosa's fine report in the last issue of the NRC, ye Editor has found out that the reason is this: (Cont next page)

(Cont from last page) It seems that John was sent out by the Radio Engineers of W.O.R. to look for the best signals that were sent to MARS a few weeks ago.

ROBERT E. BLANCHARD:--Says his Sky Buddy, is a real Buddy, Its a million dollar investment for 30 Dollars, It can't be duplicated, the fotos don't do it justice, Bob has now heard all continents (He says that all sets bought by him in the future will be Hallcrafters) (Hallcrafters should give you a Super Sky Rider for that plug Bob (Ed) STEVE A. MANN:--Has a new set which is a Addition 6 tuning from 540 to 19.000kc/s has reports out to 56 countries and QSL's from 25 (Nice going OM, Watch him Boys in the Short wave contest. (ED)

Here is a good way to be able to send out more reports with-out spending more money:--The Return Postage Bureau, of 85 Francisco Ave., Rutherford N.J. is now supplying stamps of post-card and letter rate to the U.S.A. from over 90 countries. Prices on over 30 nations have been reduced: For a new and completely revised price list, just drop a card to the above QRA.

Your Editor would like to call attention to all members, PLEASE ADDRESS all reports about the short wave contest, to The Short Wave contest EDITOR Larry Lundberg-1020 Lowry Ave., No. Minneapolis Minn. This last week I have had several reports which should have been sent to Larry. If they send them direct to Larry they will appear quicker in the bulletin. Thanks. (NOTE from HQ:--The Short wave Contest will be publish every TWO WEEKS from September 19 untill closing. HMG)

REMINGTON ALFRED NOLPO #19 reports the following 20 meter DX W5EHG W1APQ W8LC W9QIX W4DLR VP3CO W8MNJ W1CCV W1ICF W9FGY W1AW and the following Broadcasters TGWA SPW DXB 9.610kc/s testing 11 P.M. VLR-3 VK3ME..

AMATEUR VK6KW, in Western Australia writes that the new Perth-short-wave station should be in operation by December. It will operate with these calls and frequencies 6.130kc/s-VLW 9.560kc/s power is 2.000 watts. The National Broadcasting system of New Zealand is also planning a new short wave stations to operate with 500 watts as follows:--6.080kc/s ZL-1, 9.540kc/s, ZL-2, 11.780kc/s- ZL-3, 15.280kc/s- ZL-4, 17.770kc/s Location will be Wellington New Zealand. (Jim Walker) (ADXRC) (Herz)

The new Perth S.W. transmitter VLW should be on the air in the next couple of months. Frequencies allocated are:--6.130: 9.560: and 11.830kc/s (Via:--Australian DX Radio Club)

In the Schedules mailed last issue Remove DJN 9:30-11:10 AM and add DJH 17.845kc/s 2:00-2:55 P.M.

THE GROUP PICTURE OF THE CONVENTION HAS BEEN RECEIVED AT HEADQUARTERS ((PROOF)) THIS PICTURE IS ONE OF THE BEST THAT WE HAVE EVER SEEN, FOR A LARGE GROUP, ITS EXTRY CLEAR AND EVERY MEMBER STANDS OUT PERFECT. BEING AS A NEWS PAPER PHOTOGRAPHER TOOK THIS PICTURE IT WILL BE NECESSARY THAT ALL ORDERS FOR THIS PICTURE (9 BY 10) BE PLACED AS SOON AS POSSIBLE.. THE COST WILL BE \$.85 POST PAID. ORDERS CAN BE SENT AFTER MONDAY SEPTEMBER 11TH. Lets have your orders at once..

Remington Alfred reports the following 20 meter amateurs, W1EH W9RVP W9PRB W4EE W4DXP W8OUT W9BPK W9BLF W3KJ W5HGC W4EYA W2JKC W4UU W8OZD W4USA W3KGN W5BCU W9RUK W6DPD W6HRM W5DEW W5JIB W5FNY XELAC ZS5AL ZS6FD ZS6FD ZS5CL W2NHV W5APG..

Leo Herz tells us that he just received QSL's from the following WGEO VP2AD VK3XN VK9XX VK2AGA nice going Louie OM.

--CHATTER FROM HERE AND THERE--

While at the convention was surprised to learn several of the boys didn't know the meaning of the V.I.C. & V.A.C. ratings. So for the benefit of all members I will try to explain just what is meant by V.I.C. & V.A.C. first we will take V.I.C. ratings:-

V.I.C. stands for Verified Individual Countries. Your rating can be determined by checking the number of different countries you have received verifications from add them all to gether and you have your V.I.C. ratings.. No your V.A.C. rating is a little different V.A.C. stand for Verified All Continents. Your rating can be determined by grouping your verifications by continents: Continents from which you have received the least number of QSL's determines your V.A.C.: For example if you have 12 QSL's from Africa, 15 from Asia, 35 from North America, 30 from South America and 17 from Oceania, your V.A.C. rating would be 12. Since you have 12 or more QSL's from each continent.

Canadians Amateurs, have had there licenses cancelled untill further notice by the Canadian Government, this took effect on Sept 6th/39 it is not likely you will hear a VE on the air till the European War is ended.

SHORT WAVE

--A WORD FROM THE EDITOR--

Circumstance have prevented me from writing to any of my NRC pals for the past 6 weeks. After the 25th of the month I shall once again be free to answer all my back-mail. Pls be patient fellows & you all shall hear from me as soon as possible.

This issue we welcome 4 more newcomers to our Contest:-Jack Siringer, Elmer WoKaty, Stephen Mann & Francis Gmeiner, all whom are well known DXers to us all. We welcome you fellows to our contest & may the best man win. (Wait till you see their ratings fellows. You have real competition now.) E.H. Manning even fooled us by coming through with his latest ratings & that fellow really means business. Hi.

Well fellows this is quite a change from the last bulletin isn't it. And now to the most important part which we have all been waiting for. THE PRIZES TO BE OFFERED. If you like them let me know. If you don't like them let me know anyway & by all means drop a line to the Spatari League & Foundation for their swell support to this contest.

--PRIZES FOR THE SW CONTEST--

All Contestants will receive a Universal Radio Time Comparison Chart donated by Carlo Spatari of the Spatari Language Foundation.

(1st Prize) "Trophy & Honary Membership Card to the Spatari RLL along with 10 Seals of the Spatari RLL Emblem plus Time Comparison Chart."

(2nd Prize) "Spatari Radio Language Book & Honory Membership Card to the Spatari RLL along with 10 seals of the Spatari RLL Emblem plus Time Comparison Chart. (Cont next page)

---CONTEST NEWS---

(3rd Prize) "Amateur Log Book (Latest Edition) plus time Comparison Chart & 50 seals of the Spartari RLL Emblem."

(4th Prize) "50 Spartari Radio Language Seals plus 12 months subscription to the NRC & Time Comparison Chart."

(Remaining Contestants) Time Comparison chart/

---DONATORS OF THE PRIZES---

The Spartari Radio Book, 50 Seals of the Spartari Radio Language and the 10 Universal Time Comparison Charts have been donated by the Spartari Language Foundation.

The 50 Seals of the Spartari RLL and Two Honorary Membership cards (as Two Prizes) with 10 seals of the Spartari Emblem for each, have been donated by the Spartari Radio Language League.

The Trophy and Amateur Log Book plus the 12 months subscription to the NRC have been donated by Larry Lundberg.

---EDITORS COMMENTS---

Now fellows don't you think that this is one grand array of swell prizes for our SW contest. The Spartari Language Foundation has donated 12 prizes & the League 3, making 15 prizes donated from them alone. This makes a total of 18 prizes for our contest. Words cannot express the joy your Editor had when hearing of this fine prizes being donated by the Spartari Foundation & League.

I would like to have all members drop the Foundation & the League a few lines & thank them for their generous support to our contest. Do your share also in helping to promote one of the finest radio organizations in the world.

The address of the League & Foundation are as follows.

"The Spartari Language Foundation, 27-20 25th Ave., Astoria N.Y.

"Carlo Spartari"

"The Spartari Language League 751 North 66th St., Seattle Washington

% William C. Spartari, Ambassador At-Large for Sirela

We all join in saluting Carlo & William Spartari as two of the swell-est fellows in the world. Thanks a million to both of you.

"AROUND THE WORLD WITH THE NRC"

Well, this issue of the bulletin, we start to get down to real DX and the bulletin comes to you here after each week. I am certainly glad to see so many of you fellows sending in reports so regular. It really shows that you are real NRCrs. I still would like to hear from alot more of you, So you chaps that haven't sent a report in for some time how about dropping me a short report for the next column, I am sure that many of your friends would like to see reports from you. To you chaps that sent in reports for this bulletin thanks alot for your splendid reports, and now till next week, Best 73's, to you all: Editor.

The Voice of the Assnt Editor:-This time your Assnt Editor wants to give you a tip. Be careful of the headphones you use, as I burned out my phone jack by using a pair of phones with one side dead I was lucky to catch on so quick as it would have ruined the set. So if you get your set checked, get the phones checked to. Leo Herz.

Tango music. (Alfred)

SHORT WAVE NEWS

--NORTH AMERICA--

- 5.975kc/s-VONG-St. John's Newfoundland, hrd relaying VONF heard at 8:15 P.M. gives chimes like NBC, signal fair. (#9)
- 6.040kc/s-WDJM-Miami, Beach, now have this call, was formerly W4XB, announcements in Spanish and English. (#9)
- 6.130kc/s-CHNX-Halifax N.S. gives the news at 6:45 A.M. signal R6/Q4 fades very bad at times. (Alfred)
- 6.170kc/s-WCBX-New York, N.Y. formerly W2XE, hrd signing off at 1 A.M. signal good (Alfred)
- 6.190kc/s-KGEI-Treasure Island Calif., hrd signing off at 3 A.M. signal R8/Q4. (#19)
- 9.590kc/s-WCAB-Philadelphia Pa. formerly W3XAU, is the right call for this station (#19)
- 9.670kc/s-WRCA-Boundbrook N.J. formerly W3XAL (Herz)

A little general information about the General, International Broadcasting Stations, WGEA, formerly W2XAD operating on 21.500kc/s, had been on the air since March 4th/38 for regular program service, WGEA formerly W2XAD, 15.330kc/s have been on the air for regular program service since July/26, WGEA formerly W2XAD 9.550kc/s have been on the air for regular program service since March 4th/38 power from 20 to 25 kilowatts; WGEO formerly W2XAF 9.530kc/s have been on the air since June/25 power from 50 to 100 kilowatts. The effective power of WGEO and WGEA when when Alexanderson panel directive antenna are used is from 200 to 1000 kilowatts, schedules are as follows WGEA 21.500kc/s 8 to 11 A.M. 15,330 kc/s, 11:15 A.M. to 6 P.M. 9.550kc/s 6:15 to 9:15 P.M.. WGEO 9.530kc/s 4 P.M. to 12 midnight. KGEI formerly W6XBE has been on the air since March 2/39 power 20,000 watts, schedule, 6.190kc/s midnight to 3 A.M. 15.330kc/s 6:30 to 11 PM 9.530kc/s. 7 A.M. to 1a noon. (Herz)

EDITORS CHATTER:- According to Radio Guide, the mystery station on 15.390kc/s is said to be RV-99 of Irkutsk, Siberia. Paris Mondial, are now using 100,000 watts power on short wave transmissions According to announcements from Daventry.. GSW-7.230kc/s schedule is 6 A.M. to 12:45 A.M. daily.

A new Polish station has been reported heard on a frequency of 7.280kc giving the call as Niepokalanow, hrd sundays from 1-2 A.M. Radio Guide

John H. DeRosa, informs your Editor, Note. Just got back from my very exhaustive search for the missing Mars signals, and for the information of all my good NRC friends, allow me to say that said signals were found QRMing Cliff Tavener, with the results that Cliff went on a bender and the last reports state that he is suffering from a terrific hang over.

Robert Blanchard, tells me that he just received a QSL from Radio Luxembourg and SPW, and that by the way is the last from Poland for a while at lest. Bob says that the NRC News is great as usual.

Your Editor just received a QSL from XGOY and XGOX from a report which was sent out last Feb. 25/39 QSL by letter.

Larry Lundberg says that he is going to stay a bachelor, his sister got married on Sept 23rd/and Larry thinks that there is too much fuss and bother.

It is rumored around here that John DeRosa and Bob Blanchard are going to try B.C.B. DXing this coming winter, I wonder why.

Your Editor right now is working till 9 P.M. daily and I will not be able to answer my mail as I would like to, (by letter) I'll have to reply by cards till such time as this over time is over, so please keep reports coming my way. Thank you:

"FLASHES FROM HERE AND THERE"

The Italian Embassy in Washington, has been informed that the short Wave station Radio Roma, San Paolo has inaugurated a daily News bulletin service over station IBC, which operates on 17.620kc/s at 5 A.M. and over station IDB, 5.455kc/s at 4 P.M. (Herz)

The Czecho-Slovak legation reports that the broadcasting of News in English, heard for sometime past from Prague at 6:55 P.M. has been discontinued, there is still a broadcast at that hour but now in the Czech language. (Herz)

The Netherlands, legation was unable to supply a recent program of the Eindhoven stations. The last available program confirmed the news broadcast from there at 8:25 P.M. Sundays, and 8:45 P.M. on Tuesdays and Wednesdays, in the 31 meter band. In signing off from there last Tuesday night, the announcer concluded by saying "Good Night" we will see you again on Friday night, which would indicate that they are not on Wednesday night. The Netherlands legation knew nothing about this however.. The Eindhoven station announced that the Netherlands put no propaganda on the Radio and term their broadcasts as Peace Programs. (Herz)

Count de Saint Quentin, the French Ambassador at Washington advises The Radio Manufacturers Association of the following revised time table of Short Wave Radio broadcasts just received from the French Government station Paris Mondial, which may be of interest to American listeners:- Paris Mondial, transmits on the following frequencies TPA-4 11.710kc/s, TPB-11-11.885kc/s.. The daily program is as follows:-

12:30 to 1:00 PM	News and press reviews in French
8:03 to 8:15 P.M.	News in English
8:15 to 8:30 P.M.	Commentaries
8:30 to 8:45 P.M.	Press reviews in French
8:45 to 9:00 P.M.	Music
9:00 to 9:15 P.M.	Information in Spanish
9:15 to 10:30 PM	Special program of music and sketches(see below)
10:30 to 10:45 P.M.	News
10:45 to 11:30 P.M.	Chamber music
10:30 to 11:45 P.M.	News in English
11:45 to Midnight.	News in Spanish
Midnight to 12:15 A.M.	Commentaries
12:15 to 12:30 A.M.	News in English

(CONT ON NEXT PAGE:-)

Contest Manager:- Larry Lundberg-1020 Lowry Ave., No. Minneapolis Minn.

"EDITORS CHATTER"

As you may all know by now, the ratings of our members & SW contest News, are published every other week during the winter schedule. Send me your latest QSL's received every 2 weeks so that your records may be kept to date.

The present war existing in Europe has sort of put a crimp on our SW contest. Interest in the SW bands is declining and at a very low ebb. I hope too many of the NRC DO NOT forsake the SW bands entirely. I have not heard from many of the members in regards to the prizes that were offered for the Contest. Did you like them? Let's hear from you all.

"WHOSE THE SADDEST GUY IN THE WORLD"

The DX hound without a radio! Who is he? None other than your Editor!! Two more months and he will have one. How SLOWLY the time does fly! How lucky you guys are even own a crystal set! HI! Just to hear Europe again would be sweet!

VIC CONTEST-----		SW CONTEST STANDINGS-----		VERIE CONTEST	
MEMBER	VIC	MEMBER	VERIES		
ELMER WOKATY	40	JACK SIRINGER	90		
Leo Herz	35	Leo Herz	68		
Cliff Tavener	34	Elmer Wokaty	65		
Stephen Mann	34	Mel Oliver	61		
Jack Siringer	33	Cliff Tavener	59		
E.H.Manning	32	E.H.Manning	59		
Mel Oliver	20	Stephen Mann	47		
L.Lundberg	20	Larry Lundberg	47		
J.H.DeRosa	22	John DeRosa	47		
Cy Will	10	Francis Gniemer	11		
Nick Woytan	9	Cy Will	10		
Francis Gniemer	9	Nick Woytan	10		
Bob Blanchard	7	Bob Blanchard	9		

BOY OH BOY! That VIC Contest is really getting HOT. Leo Herz is making a grand bid for first place but not pressed to hold his 2nd place standing. Mel Oliver made a quite a jump in the Verie Contest. Keep up the fine work fellows!

////////////////////// "AROUND THE WORLD WITH THE NRC" ////////////////////////

Well, here we are back again after an off week. Last week your Editors just received two reports from members and that wont make a column, to have a short wave column we must have reports, so what say Boys. How about sitting down and making out a report and mailing it to me, it wont take long and you will be doing your bit to help the short wave column of the NRC which really depends on your help. So how about a report for the next issue, to you chaps that sent in reports thanks a million. (Ed)

The voice of the Assnt Short Wave Editor:-As all of you know I first got my Howard 430, I was high in its praise, so I feel its not only fair to state now that lately I have had trouble with the set, in fact I had \$5.50 of repairs. Now its working OK, but I had to get a new volume control replaced besides other adjustments. Best 73's Leo.

"REPORTERS FOR THIS ISSUE"

NOLPO # 16 Melvin Oliver-804 National Standard Bldg., Houston Texas
NOLPO # 18 John DeRosa-661 Ovington, Ave., Brooklyn N.Y.
NOLPO # 19 Remington Alfred-748 Little Grey St., London Ontario
NOLPO # 28 James Walker-Box 206, Romney W.Va
NOLPO # 29 C.J. "Mike" Fern-Box 107 Lihue, Kauai, Hawaii
NOLPO # 30 Gilbert L. Harris-60 North Holden St., North Adams Mass
NOLPO # 31 Fred Lisanti-1141-49th St., Brooklyn N.Y.
NOLPO #(27) Stephen A. Mann-1281 Ramona Ave., Lakewood Ohio
Leo Herz-723 California Terrace, Chicago Illinois

At this time we are more than glad to sigb three new NOLPO's to our already large group of NOLPO's and only hope they will continue to send in many fine reports like they did this week. Our three new NOLPO's are Number (29) Number (30) and Number (27). With these three live wires added to our list we should get lots more good tips.

NEW STATIONS:- 11.680kc/s-CXA-9.

"AFRICA"

9.610kc/s-ZRL-Klipheuvell, hrd at 11:55 P.M. signal R7/Q4 war News (# 18)

- 15.155kc/s-SBT-Motala Sweden hrd Saturdays from 8-9 PM with good signals (#30)
- 15.220kc/s-PCJ-2*Hilversum Holland heard Weds from 9:30-11:30 AM very good programs and signal (#30)
- 15.240kc/s-YUG-Belgrade, Yugoslavia hrd till 9 PM signal R5/Q3-4 (Herz) Works irregular on 11.740kc/s. (Alfred)

SHORT WAVE NEWS

17.770kc/s-PHI-2-Hilversum, Holland heard from 7:40-8:45 AM signal good (#30)

21.470kc/s-GSH-Daventry heard 11 AM signing off at 12 noon signal good (#30)

"FLASHES"

The Swiss short wave stations will present a special program dedicated to the NRC and the IDA and the Cleveland Radio Club on November 15th exact details later as to time and transmitters to be used. This program arranged by our able CPC man Jack Gardner of Cleveland Ohio (#27)

11.782kc/s-Radio Luxembourg uses this freq irregular from 9-10 PM or 10-11:00 PM. (Alfred)

6/100kc/s-YUA-Belgrade heard with carrier on the air at 12:30 AM using 10 tone note, man announcer uses chimes also, signal fades very rapid gives what sounds like the News at 12:45 (#28)

"THE QUESTION BOX"

4.770kc/s-A station hrd testing playing recordings and talking to Frank Monday night, from 8:00 to 8:20 PM and said would test again on Thursday at the same time, does anyone know who it is, (Mel Oliver)

6.700kc/s-A station heard on this frequency at 6:25 AM had lots of chimes with man announcer spoke in a foreign language, who was IT. (James Walker)

15.170kc/s-A station heard here on this freq signing off at 1 AM. used chimes station not known here, can I get any help. (Fred Lisanti)

15.340kc/s-A station heard on this freq with very odd music from 12 noon to 12:25 PM who was it (Gil Harris) Perhaps it was DJR with a program in Arabic (Ed) England, Germany and Italy have an Arabic program between 12 noon and 1 PM (ED)

"FLASHES FROM HERE AND THERES"

Through the Rayal Italian Embassy in Washington, The Radio Manufacturer Association has received by cable the following complete revised schedule of the News Bulletins broadcast in English by short wave daily from Rome:- (Leo Herz)

11.810kc/s-2R0-4-	6:00 A.M. EST	9.630kc/s-2R0-3-	1:18 PM EST
17.820kc/s-2R0-8-	6:00 A.M. EST	9.670kc/s-2R0-9-	6:16 PM EST
11.810kc/s-2R0-4-	11:00 A.M. EST	9.630kc/s-2R0-3-	7:30 PM EST
15.300kc/s-2R0-6-	11:00 A.M. EST	11.810kc/s-2R0-4-	7:30 PM EST
11.810kc/s-2R0-4-	1:18 P.M. EST	15.300kc/s-2R0-6-	7:30 PM EST

One result of the war is that many of the European short wave announcers are totally ignoring kilocycles and in announcing future programs, are making the definite statement with no qualifications that we are on the 25, 31 or 19 meter wave band.

This should meet with the approval of the listening public of this country, many of whom are more or less bewildered by both the meter and kilocycles designation. There are only the 13, 16, 19, 25, 31 and 49 meter band, that would seem to be enough to ask the people to remember. If a listener knows that a station is on a certain band it is usually easy enough for him to fish around and find it. It is much simpler for the people to remember these major wave bands than it is to fog the issue with alot of kilocycle figures. (Herz) (RME)

CONTEST NEWS

EDITOR:-Larry Lundberg-1020 Lowry Avenue North, Minneapolis Minnesota

Well fellows here are the latest standings in the SW contest & the ratings of the members, as they are sent to me, by all of you. If you find any errors please let me know so that I may remedy the error.

""SW CONTEST STANDINGS""

MEMBER	VIC	MEMBER	VERIES
Jack Siringer	45	Jack Siringer	105
Cliff Tavener	43	Cliff Tavener	73
Elmer Wokaty	40	Leo Herz	68
Stephen Mann	39	Mel Oliver	66

F.Gmiemer	11	F.Gmierer	15
Cy Will	10	Cy Will	10
Nick Woytan	9	Nick Woytan	10
Bob Blanchard	7	Bob Blanchard	9

Jack Siringer seems to have a very fine lead in the verie contest while the other contestants are having a real scrap between themselves exchanging places for 2nd place. There is a quite a change in the VIC contest with the contestants changing hands OM Siringer jumped from 5th to first place. Nice going Jack OM!

""ATTENTION MEMBERS""

Your Editor has been nominated honorary President of Chapter # 16 of the State of Minnesota for the Spatari Radio Language League. Any member interested in this fine organization can become a member for 10 cents. If you will send 10 cents in coin I can send you a full fledged membership card. Here's your chance to thank Carlo Spatari for his fine interest in our SW contest by donating those fine prizes. ACT NOW

The German Short Wave Stations have cabled the following changes in the schedule of its broadcasts:-the station DXB is now operating on 9.610kc from 4:50-10:50 PM DJL has changed its operating hours from 4:50 to 8:00 PM, and DJB has shifted to a peroid from 8 to 9 AM. DJD's schedule is unchanged, and DJZ has been discontinued.(Herz)

STARTING with this issue we will print the LPO's reports every two weeks we have desided to do this as the news for the weekly bulletin has been very slim. We will still carry the Short Wave Column, the other two weeks, by placing FLASHES and any news that you members want to place in the bulletin, like SOS's and so forth. So if you get late FLASHES or SOS news send it direct to headquarters.(We are just trying this planHi)

We are issuing a list of Short Wave Stations that will prove an interest to all members of the NRC.

The Radio Manufacturers Association, Washington D.C. has compiled the following revised list of short-wave news broadcasts coming from Europe to the United States, based upon verified information secured through cable and radiograms by the French Ambassador, the acting German Ambassador, the Italian and Spanish Embassies in Washington and the British Broadcasting Corporation. The only unverified items are the Moscow listings based upon the latest Russian program...

////////////////////// "AROUND THE WORLD WITH THE NRC" ////////////////////////

The Editor, knows that radio reception the past week has been very erratic, but we should certainly have more reports, we cant fill our four pages with a report or two. So what sat fellows how about those reports we have 31 NOLPO's in the club and I would certainly like to hear from a lot of you, that have'nt sent me a report since I became Short Wave Editor. To you chaps that did send in reports thanks alot and keep up your fine work.

The Voice of the Assnt Short Wave Editor:-Your Assnt Short Wave Editor is feeling low, to think that our short wave DXers in the NRC have let Fred and I down, while I relize due to conditions DX is not what it use to be, I think all our NOLPO's should try and send a small report and not let a couple of DXers do everything. Dont let the BCE DXers say the short wave DXers are not active. So send in those reports. Please.Leo.

SHORT WAVE NEWS

- 25.900kc/s-W9XPD-St Louis Mo. relays KSD hrd at times from 10:30 AM to 1 PM news at 12:15 PM also hrd coming on the air at 4:40 this station was on 31.6000kc/s now requestin reports (#30)
- 26.100kc/s-W9XJL-Superior Wis comes on the air at 11:30 AM gives News at 1:25 PM often foot ball games (relay) has 250 watts QSL's via card (#30)
- 26.000kc/s-W(XA-Kansas City Mo. still hrd testing on this freq, any time from 10 AM to 9 P.M. has rights to relay five BC stations (30)
- 25.300kc/s-St Louis Mo. heard on this freq, was on 31.600kc/s, W9XOK hrd here from 11:30 AM to 1 PM and also at other times request- ing reports (#30)

"WAR NEWS DIRECT FROM LONDON"

Felix Greene, United States Representative of the British Broadcasting Corp has furnished the Radio Manufacturing Association in Wash- ington with an up to date list of BBC short wave war news bul- letins. The times and freq of these broadcasts, many of which have been recently added, have been verified with London.

Full News Bulletins are broadcast from London by Short Wave at the fol- lowing times:.

TIME FREQUENCIES ALL GIVEN IN MEGACYCLES:

1:15 A.M.	15.30	15.26	<u>11.75</u>	951	
4:00 AM	1526		<u>1175</u>	951	
6:30 A.M.	2153	2147	1781	<u>1779</u>	1514
8:15 A.M.	2153	2147	1781	<u>1779</u>	1514
11:00 A.M.	2153	2147	1781	<u>1779</u>	1514
12:30 A.M.	1526		<u>1175</u>	<u>1779</u>	
4:45 P.M.	1531	1518	1514	<u>1175</u>	958
7:30 P.M.	1514	<u>1175</u>	958	<u>951</u>	
11:00 PM	<u>1175</u>	<u>958</u>	<u>951</u>		

Brief News Summaries are broadcast from London at the following times:

3:00 A.M.	1531	1526	1175	951
5:45 A.M.	2153	2147	<u>1781</u>	1514
2:00 P.M.	<u>1779</u>	1526	<u>1175</u>	958
3:50 P.M.	<u>1779</u>	1526	1175	958
6:30 P.M.	1514	<u>1175</u>	958	<u>951</u>
9:45 P.M.	1175	958	951	

The frequencies underlined in the above list of London Broadcasts in- dicate the stations transmitting directionally to North America, prim- arily for listeners in Canada and the United States. The full British Broadcasting Corp schedule of bulletins and frequencies is given above as it is often possible to receive in North America with satisfactory results transmissions intended for listeners in other parts of the world. (Herz)

According to Radio Guide, Denmark will soon put into operation new calls and new frequencies which are as follows:-

6.045kc/s-90XY-2, 6.170kc/s-OXY-3, 17.810kc/s-OZI, 17.835kc/s-OZI-3. Radio Guide says:-That Radio Luxembourg, is on the air, Wed. Thurs. and Friday at 9 P.M. and using a frequency of 6.090kc/s has anyone heard him on this freq.

The New 10.000 watt station at Spata Greece, will be on the air any day now and have been assigned the following calls and frequencies:-

6.885kc/s-SVD, 7.228kc/s-SVL, 7.805kc/s-SVG, 9.030kc/s-SVH, 9.695kc/s-SVI, 9.825kc/s-SVJ, 9.935kc/s-SVM, 10.705kc/s-SVN, 12.195kc/s-SVP, 13.640kc/s-SVQ. (This is from Radio Guide)

SHORT WAVE NEWS

I have been informed by, The Spatari Foundation of Astoria N.Y. that the following DX programs using the Spatari Language, and dedicated to various Radio Clubs, will be on the air as follows:-

November-19th/39- DDSL-YN3DG from 12:30 to 1 AM dedicated to the "National Radio Club" SIFABOMI.

November-19th/39- DDFR-TG1 & DDMS-TG2, from 1-2:00 AM this is the Spatara prizes presentation program in which two commemorative verifications cards printed only for this occasion and 10 Spatari seals will be sent to all listeners reporting this program, many prizes will be awarded to listeners. The directional of Guatemala will also give 60 packages of A-1 Guatemala coffee and a regular lot stamps. The program consists mainly of typical Guatemalan music played by the famous Marimba band, "ALMA INDIA" (Indian Soul) The special announcer of Radio Morse, Senor. Franz Gall, will give announcements and messages in Spatari, English, Spanish, German, Italian and French.

November-26th/39- DDSL-YN3DG-from 12:30 to 1 AM dedicated to Spatari Radio Language League, SFLD.

November-26th/39- DDSL-YN3DG-from 1 to 1:30 A.M. dedicated to Radio News.

SPECIAL NOTE PLEASE-----SPECIAL-----SPECIAL-----
HBL-9.345kc/s-Geneva Switzerland on November 15th will DX for the CRC IDA and NRC, please listen in and report reception to them. (Beleive to be on 8:40-10:15 PM EST., to make sure also check the 6:45 to 8:15 program-NRC-HQ)

////////////////////////////////////
"SW CONTEST NEWS"

By:-Larry Lundberg-1020 Lowry Ave., North, Minneapolis Minnesota.....

Veries are coming in very slow for our members. With little or no DX now obtainable, many of our members are sort of getting didgusted with SW DXing. Keep the chins up fellows and lets all try our best to win a prize, in our SW contest. The standings up to date are as follows.

"SW CONTEST STANDINGS"

MEMBER	VIC	MEMBER	VERIES
Cliff Tavener	47	Jack Siringer	105
Jack Siringer	45	Cliff Tavener	79
Stephen Mann	41	Leo Herz	71
Elmer Wokaty	40	Mel Oliver	69
Leo Herz	35	Elmer Wokaty	64
E.H.Manning	32	E.K.Manning	59
J.H.DeRosa	22	Stephen Mann	58
Mel Oliver	20	L.Lundberg	47
L.Lundberg	20	J.H.DeRosa	47
F.G.iemer	11	F.Gmæmer	15
Cy Will	10	Cy Will	10
Nick Woytan	9	Nick Wotan	10
Bob Blanchard	7	Bob Blanchard	9

There is no change in the standings in the verie contest but in the VIC contest Cliff Tavener took the lead away from Jack Siringer, who fell to 2nd place. ATTENTION MEMBERS:- When sending in your list of veries for the contest please state the country which they represent. For instance a K6 verie can mean several countries. To Avert future mistakes state coutry along with your list of veries.Thanks a lot.

Greetings once again, after two weeks. I find this Short Wave DX hasn't picked up very much, this short wave column is really getting to be a problem these days, DX NEWS is getting to be a thing of the past if I can go by the number of short wave reports I have received this last two weeks. Your Editor finds that the India stations on 62 meters are rolling in daily with fair to good signals all have good signals around 7 A.M.. The only reporters for this issue are John H. DeRosa and Leo Herz/. It certainly would be nice to hear from more of you chaps So What Say. Thanks John and Leo for your very fine reports, and come in again real soon. (F.W.A.)

The Voice of the Assnt Short Wave Editor:- Fellow short wave DXers, I appeal to you for your support send your report if only an item or two to Fred, 73's: (Leo)

AFRICA

5.884kc/s-CNW-2-Rabat Morroca. 2kw power now working on phone and CW Herz-IDA.

SHORT WAVE NEWS

Editor-Larry Lundberg-1020 Lowry Avenue No. Minneapolis Minnesota

This issue we welcome two more contestants in our contest. They are J.E.Gardner and Joe Lippincott. Joe says he is not much of a DXer on the SW bands but wants to enter the contest anyway. That is what we call real NRC club spirit. J.E.Gardner sends in a very nice list of veries & really means to win one of those prizes. Been holding out on us ey Jack? We welcome both of you fellows in our contest and may the best man win.

SW CONTEST STANDINGS

<u>MEMBER</u>	<u>VIC</u>	<u>MEMBER</u>	<u>VERIES</u>
Jack Siringer	55	Jack Siringer	115
J.E.Gardner	51	Cliff Tavener	79
Cliff Tavener	47	J.E.Gardner	77

Cy Will	10	Cy Will	10
Nick Woytan	9	Nick Woytan	10
Bob Blanchard	7	Bob Blanchard	9
Joe Lippincott	7	Joe Lippincott	9

Just 1 1/2 more months to get those reports out gang. Make hay while the sun shines.

RATINGS OF OUR MEMBERS

Stephen Mann gives us a good suggestion. When considering the merit of a DXer Steve says they should be listed according to their VIC rating. Up to date we have been using the members VAC ratings to consider their skill. We are now adopting Steves suggestion and hope it meet with the approval of our members.

<u>MEMBER</u>	<u>VIC</u>	<u>VAC</u>	<u>MEMBER</u>	<u>VIC</u>	<u>VAC</u>
D.Thomas	117	49	C.Forestieri	44	3
J.Siringer	114	38	L.Lundberg	41	3

J.E.Gardner	72	12	N.Cannata	26	1
Mel Oliver	62	7	Bob Blanchard	23	0
C.Tavener	53	6	F.Gniemer	15	0
S.Mann	48	2	Bob Hoynes	13	1

GOSSIP OF THE MEMBERS

Jack Siringer has 689 veries on the SWBCB and 812 BCB veries for a grand total of 1501 veries. Some DXer we'll say. Wow!

Joe Lippincott has hrd over 30 TA's and over 30 TP's so far this year on the BCB. No wonder he does not DX on the SW bands. Hi.

Mel Oliver is disgusted. He is without a receiver. I know just how he feels. Incidentally Mel states that W50AH has the cleverest card he has ever seen publicising "America's Oreriest Ham" as the "One Man Chamber of Commerce" of Raton New Mexico.

SHORT WAVE NEWS

The Canadian Government has reserved the following frequencies to be used for its proposed new 50,000 watt short wave station, 6.060, 6.160 9.630, 11.705, 15.190, 17.810, 21.710, 25.620kc/s.(Alfred)

FLASHES

HJDE, of Medellin, Colombia, now using their new call, and is being well heard (Radio Guide)

Jap, schedule for December:-For Europe:-7.257kc/s, JVV-11.800kc/s, JZJ-2 to 4 PM. For South American Countries:-15.160kc/s, JZK-11.800kc/s. JZJ 4:30-5:30 PM. For Eastern Districts of North America:-15.160kc/s JZK 8:00-9:00 PM. For Pacific coast of North America, and Hawaii 9.535 kc midnight to 1:30 AM. For China and the South Seas:-11.800kc/s JZJ 9.535kc/s, JZI 7 to 9:30 AM (Alfred)

9,660kc/s-XEQQ Mexico City Mexico, heard on this frequency at 12:20 AM signal R9/Q5 playing American dance music. 11/20/39 (Alfred)

LATE NEWS THAT CAME IN AFTER BULLETIN WAS MADE UP:-

11.775kc/s-MTCY Hsingking, Monday announced frequency heard from 13.0 to 2:20 AM and again from 9:50 to sign off at 10:50 AM later broadcast is for the far East but no difference in signal strenght is noted. This transmission suffers from QRM from "Radio Saigon"

11.810kc/s-2RO-4-Rome heard with an R8/9 Q/5 signal at 8:15 PM

6.460kc/s-COHI-Santa Clara Cuba hrd at 9:15 PM with an R9/Q5 signal

6.360kc/s-COCQ-Havana Cuba hrd at midnight with an R9 Q5 signal with an English program, this is evidently a regular feature on Sunday night and offers an excellent chance for anyone to get sufficient program material for a QSL.

6.420kc/s-TGWB-Guatemala City hrd at midnight and othertimes to 1 AM signal R7/Q5.

6.030kc/s-CFVP-Calgary Alberta Canada hrd at 5:15 PM relaying CFCN signal R9/Q5.

6.100kc/s-KZIB Manila P.I. gives slogan "The Voice of the Phillipines" on announced frequency, also announced that they were operating on 31 meters at a different time, signal R6-6/Q5 at 10:00 AM.

11.780kc/s-Radio Saigon, French Indo-China can be heard here very easily after MTCY signs off at 10:55 AM Radio Saigon signs off at 11:00 AM, the announcer is a lady and requests reception reports and suggestions concerning the programs. This fine report from "Merton M. Hiatt Box, 808, Dryden Washington U.S.A.

DX PROGRAMS CONTINUED FROM LAST BULLETIN

JANUARY 14th/40: DDSL-YN3DG- 12:30 to 1:30 AM will transmitt a program dedicated to all Radio Clubs, A musical composition will be dedicated to the President and members of all Clubs cooperating with the promotion of Spatari. Two cups will be given, one by YN3DG and other by the Spatari Foundation, To the two clubs whose members send in the most reports, other prizes will be awarded special verification cards will be issued.

JANUARY.14th/40: CMHJ Great DX Special Programs;

DSDF-CMHJ-1160kc/s 300 watts will transmitt their first annual DX Special programs pf 1940, from 2:00-6:00 AM Sunday morning. As usual a special verification card will be issued for this occasion. Sr Enrique Hidalgo Miralles, well known among DXers of the world wrote "All reports must be accompanied by a ten cent coin and all correct reports will be acknowledge immediately.

S.Mann	49	3	Bob Hoynes	13	1

JACK-QUINTRELL-Seat Pleasant Md. Saw the latest cracks in Nov.27 bulletin directed at Tex Tavener and ur's truly and far be it from me to make remarks but those cracks smell of certain Brooklyn member. For that two legged hippo's benefit Washington College was defeated by Mt.St Mary's not C.W.U. tut his audacity amazes me! Mt St. Mary's isnt even in the same league with us and we dont bother with small fry. Latest here are 13-6 win over Kansas U and a 7-6 win over Bucknell U. Play West Virginia this Saturday and should win, only losses are Butler U 13-7; Georgetown (they took N.Y.U 14-0 psc Note John DeRosa) 6-0; and Clemson 13-6. What does heRosa say?? if a rotary bull session is in the offing, count me in DX tips are scarce.

WE understand that in one of our Eastern cities the 5 meter bootleggers are so thick that they are forming an organization of their own hi hi. If a bootlegger is caught in a qso with a liscened Ham he is barred from the club. The Hams are up in arms, and guess why??? They want to join the club too hi hi. Have you boys noticed that even with the lull in DXing caused by the war the NRC continues to grow...the past few months we added to our list many members who are rated very high in DX circles. What are you doing to help that list grow???? Good, we knew you would help...

Well, this is the last column for the year, and what a column, you fellows sure went to town this trip, AND HOW, certainly seems good to have lots of News after so many months that were poor, lets hope we get more reports for the next column, I certainly want to thank you members for your splended help this week, and only hope that you will continue to send in lots of reports. I would like to take this opportunity to wish every member of the NRC A VERY MERRY CHRISTMAS AND A HAPPY NEW YEAR, and may the New Year bring you all lots of good DX and Health,. Dont forget to keep those reports coming my way. 73's (Fred Alfred)

THE VOICE IN THE WILDERNESS:-(Alias) The Voice of the Assnt Short Wave Editor:-You probably wonder why the change in name. Well fellows I decided on this name and will only change when the Short Wave DX'ers send in their reports regular. I am asking you fellows for your support, So please dont let us down. 73's (Leo Herz)
